Mix & Match QUICK SHIP

This factory in-stock Quick Ship Program is available year-round to all authorized Homecrest Dealers. Homecrest's Quick Ship Program ships within five working days and consists of top-selling products, fabrics and frame finishes.

When ordering, use the model number listed that begins with a "Q" to indicate Quick Ship product shipment.

CUSHION SEATING

Take advantage of the quick delivery and versatility offered by Homecrest's Quick Ship Program. Choose from our cushion swivel rocker chat chairs to coordinate perfectly in your outdoor space and provide comfort for years to come.

FIRE PITS

Looking to entertain or relax by the fire? Choose from Homecrest's Quick Ship fire pit products. Featuring our Timber fire pits.

FABRICS & FINISHES

We've hand-selected some of our best-selling cushion materials. Matching them with customer-favorite frame finishes will give you a great look for your outdoor furniture.

QS IS FOR QUICK SHIP

Keep an eye out for the "QS" symbol - these pieces are available on our Quick Ship Program.

Need help visualizing these options? Visit the Interactive Design Center at design.homecrest.com to create the look that fits your style!

Colors are representations. Please refer to an actual sample.

CHOOSING THE RIGHT SET FOR YOUR OUTDOOR SPACE

Planning an outdoor space can be difficult, but the Homecrest Patio Planner is a fun and easy tool that will help you design your dream outdoor space. Homecrest's Patio Planner allows you to select the products you want and arrange them in your outdoor space without the hassle of moving heavy furniture around, giving you confidence in your design choices and product selection. All of the Homecrest collections, including outdoor essentials, are available on the Patio Planner.

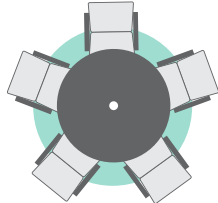

1 SELECTING FOR AN OUTDOOR DINING SPACE

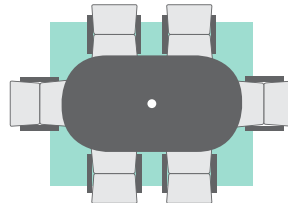

Dining sets are great for entertaining and enjoying casual meals outdoors. Homecrest offers sets that accommodate two to eight people comfortably.

5-PIECE DINING SET:
Seats four. Four dining chairs and a 42" dining table.
Ideal rug size: 6 ft x 9 ft
Ideal umbrella size: 9 ft

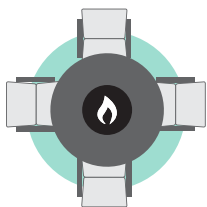

6-PIECE DINING SET:
Seats five. Five dining chairs and a 54" dining table.
Ideal rug size: 9 ft
Ideal umbrella size: 9 ft

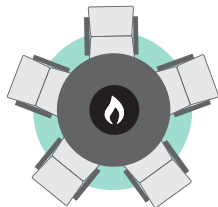

7-PIECE DINING SET:
Seats six. Six dining chairs and a 42" x 82" dining table.
Ideal rug size: 8 ft x 10 ft
Ideal umbrella size: 11 ft

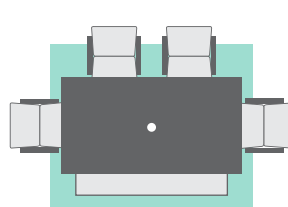

9-PIECE DINING SET:
Seats eight. Eight dining chairs and a 44" x 110" dining table.
Ideal rug size: 10 ft x 14 ft

5-PIECE DINING SET:
Seats four. Four dining chairs and a 54" dining fire table.
Ideal rug size: 9 ft

6-PIECE BALCONY SET:
Seats five. Five balcony chairs and a 54" balcony fire table.
Ideal rug size: 9 ft

6-PIECE DINING SET:
Seats six. Four dining chairs, bench and a 42" x 82" dining table.
Ideal rug size: 8 ft x 10 ft
Ideal umbrella size: 11 ft

5-PIECE DINING SET:
Seats six. Two dining chairs, two benches and a 42" x 82" dining table.
Ideal rug size: 8 ft x 10 ft
Ideal umbrella size: 11 ft

GRACE MODULAR - PAGE 34

With the introduction of an armless chat, club, loveseat and sofa options, Grace Modular allows for multiple configurations in any space. (C) →

2 SELECTING FOR AN OUTDOOR CONVERSATION SPACE

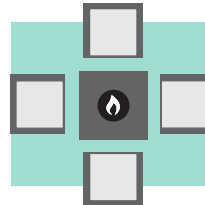

Conversation sets help create the feel of a living room in your outdoors. Choose a pair of chat chairs with ottomans and/or a side table, or choose a set with a sofa and/or loveseat and coffee or fire pit.

5-PIECE CONVERSATION SET:
Seats two. Two chat chairs, two ottomans and a side table.
Ideal rug size: 5 ft x 7 ft.

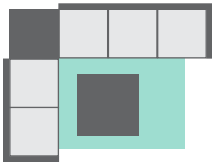

4-PIECE CONVERSATION SET:
Seats four. Loveseat, two chat chairs and a coffee table/fire pit.
Ideal rug size: 5 ft x 7 ft

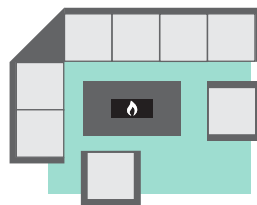

5-PIECE CONVERSATION SET:
Seats four. Four chat chairs and a chat table/fire pit.
Ideal rug size: 8 ft x 10 ft

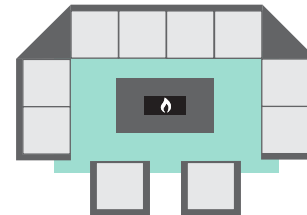

7-PIECE CONVERSATION SET:
Seats seven. Two chat chairs, sofa, loveseat and a coffee table/fire pit.
Ideal rug size: 9 ft x 12 ft

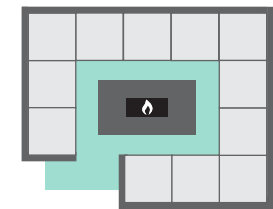

4-PIECE CONVERSATION SET:
Seats five. Left arm sofa, right arm loveseat, chat table/fire pit and a side table.
Ideal rug size: 5 ft x 7 ft.

7-PIECE CONVERSATION SET:
Seats eight. Left arm chat chair, armless sofa, right arm loveseat, two chat chairs, corner table and a coffee table/fire pit.
Ideal rug size: 8 ft x 10 ft

9-PIECE CONVERSATION SET:
Seats ten. Left arm loveseat, two corner tables, two armless loveseats, right arm loveseat, two chat chairs and a coffee table/fire pit.
Ideal rug size: 9 ft x 12 ft

8-PIECE CONVERSATION SET:
Seats twelve. Left arm loveseat, three corner units, armless loveseat, armless sofa, right arm loveseat and a coffee table/fire pit.
Ideal rug size: 8 ft x 10 ft

HOW TO ORDER YOUR HOMECREST FURNITURE

The Interactive Design Center on the Homecrest website lets users modify and personalize seating collections and fire tables for their outdoor space. Users can choose a seating collection or fire table collection, then select style, color, frame finish, fire jewelry and accessories to get the perfect combination.

Note: All Homecrest frames are backed by an industry-leading 15-year residential limited warranty.

1 LET'S BUILD A CUSHION CHAIR

Outdoor cushions are protected with a separate two-year residential warranty. For more warranty information, see page 154 or visit www.homecrest.com.

1. Pick a cushion collection and chair style (ex. Elements Chat Chair)

2. Choose your chair frame finish (ex. Carbon)

3. Select a cushion (C) fabric (ex. Canvas White)

4. Choose a cushion (C) back fabric (ex. Canvas White)

5. Add an outdoor pillow (ex. 18" square)

Note: This is only applicable on Grace and Grace Modular collections. Solid fabrics that have a woven texture or color direction will run the opposite direction.

2 LET'S BUILD AN AIR CHAIR

Airo² slings have a two-year residential limited warranty, while Elements and Grace Air slings are protected with an industry-leading five-year warranty. See page 154 for more warranty information or visit www.homecrest.com.

1. Pick an Air collection and chair style (ex. Elements Air Chat Chair)

2. Choose your chair frame finish (ex. Carbon)

3. Select a Sensation sling (SS) fabric (ex. Agate)

4. Add an outdoor pillow (ex. 12" x 24" kidney)

3 LET'S BUILD A SLING CHAIR

Outdoor double layer slings are protected with an industry-leading five-year residential warranty. For more warranty information, see page 154 or visit www.homecrest.com.

1. Pick a sling collection and chair style (ex. Elements High Back Dining Chair)

2. Choose your chair frame finish (ex. Carbon)

3. Select a sling (S) fabric (ex. Glacier)

Note: This material will be used on the front and back.

4. Choose a welt (W) color (ex. Carbon)

Note: Welts will coordinate with the frame finish unless an alternate welt is selected.

5. Add an outdoor pillow (ex. 18" square)

4 LET'S BUILD A PADDED SLING CHAIR

Outdoor padded slings are protected with an industry-leading five-year residential warranty. See page 154 for more warranty information or visit www.homecrest.com.

1. Pick a padded sling collection and chair style (ex. Elements High Back Dining Chair)

2. Choose your chair frame finish (ex. Carbon)

3. Select a padded sling (PS) or cushion (C) fabric (ex. Canvas White)

Note: If the selected fabric features a "PS" and an "S" symbol on the fabric label, then this material will be used on the front and back of the padded sling.

4. Pick a sling (S) back fabric (ex. Glacier)

Note: This step is only applicable if the front fabric is selected from the Outdura®, Sunbrella® or UltraLeather® swatch books.

5. Choose a welt (W) color (ex. Carbon)

Note: Welts will coordinate with the frame finish unless an alternate welt is selected.

6. Add an outdoor pillow (ex. 18" square)

DREAMCORE, ULTRACORE, LUXE OUTDOOR & CUSHION DINING COLLECTIONS

Whether traditional, transitional or contemporary in design, Homecrest's deep seating collections are beautiful and incredibly comfortable. We use innovative techniques and top-quality materials to ensure that each collection's beauty and comfort lasts for decades. Continue reading to learn more about cushion technologies and how our manufacturing processes ensure outstanding longevity for every cushion we create.

1 ALL ABOUT YOUR DREAMCORE™ CUSHION FURNITURE

The DreamCore seat cushion features High Resilient furniture-grade foam. High Resilient foam provides exceptional durability and longevity, while offering an outstanding level of comfort. Unlike Viscoelastic foam (memory foam), the cell structure of High Resilient foam is less uniform and more random than conventional foams, creating a stronger structure, excellent elasticity and increased supporting force, thereby providing support, resilience and ultimately, unparalleled comfort. *Featured on Elements, Havenhill and Liberty collections.*

BACK CUSHION
The back cushion is constructed with moisture-resistant ticking and is engineered to match the silhouette of the cushion, creating a tailored look. The cushion utilizes individual channels, which hold the fill in place and create both comfort and support.

SEAT CUSHION
The seat cushion is constructed with High Resilient furniture-grade foam wrapped with dacron and moisture-resistant ticking that is glued, not sewn, to prevent moisture penetration.

SEAT DECK & GROMMET VENTING
The seat deck is constructed of 100% virgin vinyl strapping for enhanced comfort. Virgin vinyl straps do not contain clay fillers, which reduce strap memory. The underside of the seat cushion cover features grommet openings for breathability.

BACK ATTACHMENT
Homecrest seat and back cushions feature either a Velcro flap back or sewn seam to attach the cushions together. This eliminates the use of ties or tabs.

2 ALL ABOUT YOUR ULTRACORE™ CUSHION FURNITURE

The UltraCore cushion is considered one of the best available cushions in the industry. Its high support factor gives you a very comfortable and luxurious sit while maintaining clean, crisp edges. The thick UltraCore seat cushion is compressed and will keep its resilience. Sunbrella®, Outdura® and Ultraleather® fabrics are available on all UltraCore cushions. *Featured on Allure Modular, Grace and Grace Modular collections.*

ALLURE BACK CUSHION
Allure back cushions utilize a solid foam core wrapped in moisture-resistant ticking, providing clean edges and a flat bottom. Ticking is glued, not sewn, to prevent moisture penetration.

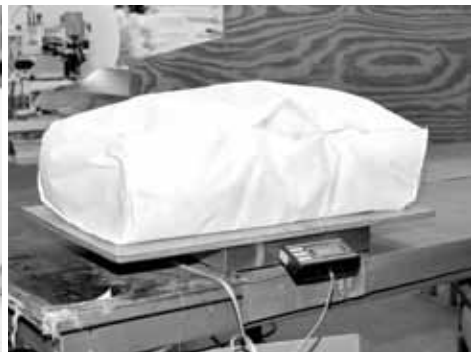

GRACE BACK CUSHION
The Grace back cushion features a 4" piece of foam that stabilizes and maintains the shape of the cushion. The cushion is then filled with blown-in polyester fiber to create a soft shape and relaxed comfort that you've come to expect from Homecrest.

SEAT CUSHION
UltraCore seat cushions utilize a solid foam core insert wrapped in moisture-resistant ticking that is glued, not sewn, to prevent moisture penetration. Solid core inserts provide a crisp edge and a firm, durable seating surface.

BACK ATTACHMENT & GROMMET VENTING
Seat cushions of all Allure pieces feature two velcro attachments to prevent seat cushion movement when used in an armless configuration. The underside of the seat cushion cover features grommet openings for breathability.

3 ALL ABOUT YOUR LUXE OUTDOOR CUSHION FURNITURE

Luxe Outdoor
CUSHIONS

The Luxe Outdoor seat cushion is constructed with a combination of materials for durability and longevity. The foam core is wrapped in moisture-resistant ticking that is glued, not sewn, to prevent moisture penetration. It is then wrapped with a dacron layer to provide a “soft” sit to the cushion. Luxe Outdoor back cushions incorporate three layers of dacron, which does not hold moisture and provides comfortable back support. *Featured on Emory and Sutton collections.*

BACK CUSHION

Back cushions are constructed using three layers of specific polyester fiber densities to provide stability and comfort. Polyester fiber fill does not hold moisture and does not need to be wrapped in a moisture-resistant material.

SEAT CUSHION

Seat cushions use a 4" inner core of High Resilient foam wrapped in moisture-resistant ticking. The inner core is then wrapped in moisture-resistant polyester fiber. This combination creates the comfort and durability of the Luxe Outdoor seat cushion.

GROMMET VENTING

The casing of all Luxe Outdoor seat cushions feature grommet openings for breathability.

BACK ATTACHMENT

The seat and back cushion are held in place with snap fabric tabs using the fabric of the cushion.

4 ALL ABOUT YOUR CUSHION DINING FURNITURE

Our cushion collections offer luxurious comfort in pieces scaled in height and size for dining. Quick-drying and extremely resistant to mold, mildew or fading, these plush pieces add warmth and richness to the outdoor dining experience. The cushion features a simple turned seam and wraps the selected fabric around the sides of the cushion to meet the same fabric selected on the back of the cushion. *Featured on Havenhill and Holly Hill collections.*

CUSHION CONSTRUCTION

The cushion is constructed of four layers of polyester fiber fill that allows moisture to pass through it. Homecrest's quality-crafted cushions are fast-drying and durable.

SEAMLESS DESIGN

The Homecrest cushion features a simple turned seam and wraps the selected fabric around the sides of the cushion to meet the same fabric selected on the back of the cushion. With this innovative cushion technology, a welt is not required.

VIRGIN VINYL STRAPS

The seat deck is constructed of 100% virgin vinyl strapping for enhanced comfort. Virgin vinyl straps do not contain clay fillers, which reduce strap memory. They are inserted into a slotted frame and are double wrapped.

SLIP COVER

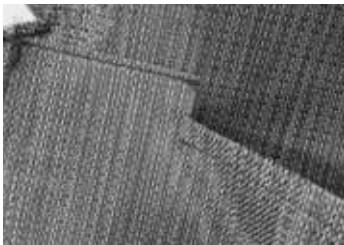

The cushion is tailored with a matching slip cover, eliminating exposed straps on the back frame. The cushion is held in place to the slip cover with industrial grade Velcro and with a pocket flap on the front of the seat to conceal the frame.

AIR, SLING, PADDED SLING & WOVEN COLLECTIONS

Homecrest's revolutionary Air collections are based on an "empty box design," where water runs through the air bucket design, allowing the fabric to dry in minutes rather than hours. The Homecrest double layer sling has been a consumer favorite for over four decades, offering unsurpassed comfort and exceptional longevity. Homecrest Woven is available on most high back and low back sling dining collections and features high-quality resins woven around both sides of our ergonomically shaped aluminum frames for strength, durability and unprecedented woven comfort.

1 ALL ABOUT YOUR AIR FURNITURE

The Air seating series features the appearance and comfort of a deep seating lounge chair, in a fill-free, cushionless construction. Luxurious Sensation sling fabric is the ultimate in low-maintenance comfort and also features exceptional shape retention and surface memory. These all-aluminum frames provide strength and durability for all climates and is ideal for both residential and commercial applications. *Airo² is a single layer sling. Elements Air and Grace Air are a double layer sling.

SEAT CONSTRUCTION

The seating surface is constructed with a double layer of material (mirroring Homecrest's double layer sling) for strength and durability. Sensation fabrics provide the comfort, stretch and recovery that a traditional cushion offers.

VENTED INNER LINING

A vented inner lining allows moisture to pass straight through the seat surface and prevents sunlight from exposing the internal structure.

REPLACEABLE & FULLY UPHOLSTERED LOOK

The upholstery of the unit is completed by lacing the side panels to the frame and utilizes a Velcro closure to finish out the bottom. This technique is what gives the Air collections a fully upholstered look. A stretched basket replacement is available if an updated look is desired or as a replacement after years of use.

MODULAR SYSTEM

Multiple configuration options can be achieved using the right arm, left arm, armless, swivel, stationary and corner units. Corner units are available in Stonegate and Mode.

2 ALL ABOUT YOUR SLING FURNITURE

Homecrest's double layer sling has been a consumer favorite for decades, offering unsurpassed comfort and exceptional longevity. Outdoor double layer slings are protected with an industry-leading five-year residential warranty.

SLING CONSTRUCTION

The Homecrest double layer sling uses internal support rails to shape and stretch the sling. This allows for the sling to ergonomically conform to the body and eliminates a rigid surface. Homecrest's double layer sling creates an individual comfort experience.

SERGING

After the first sew line is in place, slings go through a five-thread serging process that doubles the strength of the seam.

WELTING

Sling construction is finished with a sewn-on welt. Welting is attached with a third sew line to combine the multiple layers of fabric. Welting color will default to the frame finish color unless an alternate welt color is selected.

SLING TESTING

Homecrest slings are static-load tested to ensure durability of seam strength, by dropping a 125 lb weight on a sling chair for 50,000 cycles.

3 ALL ABOUT YOUR PADDED SLING FURNITURE

The perimeter stitch pattern is available on all of Homecrest's padded sling selections. The stitch line silhouettes the outline of the seat and back of the basket, providing stylish elegance and allowing for quicker drying time.

PADDED SLING CONSTRUCTION

Padded slings utilize a single layer of polyester fiber fill, sewn between the surface material and an inner layer of material.

SILHOUETTE STITCHING

Top stitching of the silhouette detail is done before adding the back fabric. The silhouette stitch allows for quicker drying time.

BACKING FABRIC SELECTION

Padded slings provide the opportunity to use all Sunbrella®, Outdura® and Ultraleather® acrylic/polyurethane fabrics. If a fabric has been selected from one of those swatch books, a slingable fabric must be selected for the back of the padded sling; this provides the durability of a sling when combined with the top layer fabric.

WELTING

Padded sling construction is finished with a sewn-on welt. Welting is attached with a third sew line to combine the multiple layers of fabric. Welting color will default to the frame finish color unless an alternate welt color is selected.

4 ALL ABOUT YOUR WOVEN FURNITURE

Homecrest Woven is available on most sling dining collections and features high-quality resins woven around both sides of our ergonomically shaped aluminum frames for strength, durability and unprecedented woven comfort.

INTERNAL FRAME CONSTRUCTION

An aluminum powder-coated frame is used to strengthen the internal structure, which supports the woven material.

WOVEN AROUND THE FRAME

Baskets are woven around the powder-coated aluminum frame for a perfect fit.

EASILY REPLACEABLE BASKETS

Woven baskets can easily be replaced with sling baskets or new woven baskets. Simply remove the hardware that connects the frame to the seat basket, take off the old basket and attach the new basket using the original hardware. Homecrest Woven baskets feature a three-year warranty against cracks, fading and structural issues.

WOVEN TESTING

Our woven furniture is constructed from 5,000 hour wicker (highest designation in the industry) and is stable at extreme temperatures and can be left outdoors year-round.

Enjoy the outdoors in utmost relaxation with Homecrest stationary or motion pieces. Homecrest outdoor furniture has been a consumer favorite for decades, offering unsurpassed comfort and exceptional longevity. Available in sling, padded sling and cushion.

EXPERIENCE MOTION

COIL SPRING

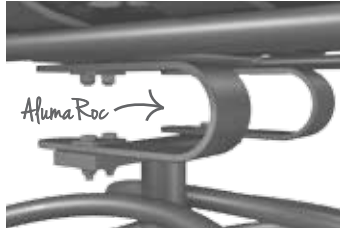

Homecrest invented the original adjustable 'swivel rocker mechanism' and patented it in 1956. The re-coil spring and swivel plate are attached to a bottom swivel plate that encapsulates a nylon bushing and 12 stainless steel ball bearings. Together, they create a smooth and durable swivel rock motion. This mechanism has passed the million rock test. To adjust the swivel rocker, move the re-coil spring forward for a firmer rock and back for a softer rock.

Featured on most sling and cushion dining collections (excluding club chairs, chat chairs, Air and Kashton collections).

ALUMAROC™

The AlumaRoc features precision-bent aluminum springs that are connected to an aluminum plate and post, which provides a smooth swivel and rock motion. The slots in the top of the spring allow for the adjustment to move forward for a firmer rock and backwards for a softer rock. The AlumaRoc has been tested to exceed one million rock cycles and is made completely of aluminum.

Featured on all club chairs, chat chairs (excluding Air) and the Kashton collection.

AIRO²

SENSATION SLING | ALUMINUM

Designed for style, this sophisticated collection of modular pieces transformed deep seating. Airo² takes the traditional outdoor cushion and turns it into a sling that has the look of a deep seat without any inner cushion material, so it's like sitting on air. Airo² is virtually maintenance-free, fast-drying and comfortable. This patented technology is available exclusively through Homecrest and is ideal for both residential and commercial applications. Airo² features a single layer sling and carries a two-year sling warranty.

AIRO² FABRIC OPTIONS Air collections are available in Sensation Sling fabrics only. Look for the "SS" symbol.

ALLURE MODULAR

ULTRACORE™ CUSHION | ALUMINUM

Building on the comfort Homecrest is known for, we are excited to present the Allure Modular collection, featuring sumptuous, all-weather cushions, generously proportioned seating and clean, modern lines in a chic profile. This collection is a contemporary twist on classic design. While the Allure Modular corner unit is exceptionally comfortable on its own, it allows endless versatility for creating unique seating configurations. This collection is as perfect for a neighborhood barbecue as it is for a quiet evening of wine and cheese.

MIX & MATCH

Complete your dream outdoor space with coordinating Allure sling (shown on page 20) and mesh (shown on page 108) pieces!

ALLURE

SLING | ALUMINUM

With the all-new Allure collection's modern, clean lines, the strength and durability of aluminum are perfectly met with the comfort of a premium-quality double layer sling. It's easy to fall in love with the comfort and ease of Homecrest's famous slings. The quick-drying café chairs are available with or without arms for additional convenience when an extra guest arrives. The extra-wide chat chair is perfect for curling up with your morning coffee, and whether you are trying to catch sun or shade, the wheeled chaise will make every day feel like a vacation.

GRACE

ULTRACORE™ CUSHION | ALUMINUM

Bring the indoors outside with the clean lines and soft sophistication of Grace. Chic and stylish, Grace provides the perfect venue for dessert and cocktails after the show, yet is unbelievably cozy with its deep seat. Grace also beckons you to curl up with a book and blanket and while away a lazy Sunday. Unleash your inner designer and select complementary fabrics for back upholstery and seating fabrics, or embrace simplicity with a neutral palette. The options are endless, and the Grace collection's design is timeless.

Available in: **C** Cushion

Note: A solid color fabric selection is required for the back of each unit, with the cushion being the same color or a coordinating pattern. See pages 134 and 136 for Outdura® and Sunbrella® options. Solid color fabrics that have a woven texture or color direction will run the opposite direction on the back frame slip cover of all Grace pieces. Upcharge applies if back fabric grade is higher than the cushion fabric grade. See price list for upgrade pricing.

HARBOR IS DESIGNED FOR WEIGHT

Our "Designed for Weight" collections are made with both aluminum and plated steel, making them ideal for windy conditions. Aluminum is used for the arms and base to create a low-maintenance, less corrosive material for those high-wear components. To maintain a similar weight as our steel collections, the "Designed for Weight" collections use powder-coated, solid-steel side rails and cross bars, along with a zinc-plated undercarriage and swivel rock components.

LANA

SLING, PADDED & METAL | ALUMINUM

Lana means afloat and calm as still water, which also defines the soft, relaxing motion you will feel in this fresh and stylish spring base collection. The spring base dining chair is the perfect fit for conversation around a fire table, paired up on a porch or as a dining option. The spring base lounge is generously proportioned and positioned for relaxation. Designed with support to easily enter and exit the piece, it is perfect for a relaxing nap or a good book. Made of aluminum, Lana is available in sling, padded sling, woven and metal seating options.

LANA SPRING BASE DINING CHAIR

To ensure the weld and frame integrity, the spring base has passed the one million rock test. The soft, yet durable, relaxing motion of the spring base is achieved, with the encapsulation of a half-inch steel rod in the entire length of the aluminum leg frame.

LIBERTY

DREAMCORE™ CUSHION | ALUMINUM

Liberty's timeless design and unparalleled comfort will enhance outdoor spaces for generations to come. Create an environment of relaxation and serenity with a full complement of deep seating pieces, all made in the USA. The crisp tailoring and clean lines will create an engaging ambiance that celebrates the past and the future.

The Liberty barrel chair is an iconic introduction, hearkening back to early days in Homecrest's history. This richly updated piece features the wraparound comfort of our traditional barrel chair and the unsurpassed comfort of Homecrest's industry-leading coil spring swivel rocker. As a front porch vignette for two, or elegant dining for a crowd, the Liberty barrel chair will create an engaging ambiance that celebrates the past and the future.

STELLA

SLING & PADDED | ALUMINUM

With outstanding comfort and classic styling, Homecrest is proud to introduce the Stella collection. Featuring elegantly sloped armrests, the Stella collection includes a swivel rocker in both dining and balcony heights, plus an all-purpose dining chair, all offering the ease of a sling with a durable aluminum frame. Flexible and easy to care for, this collection will instantly spruce up spaces of all sizes and styles.

STELLA IS DESIGNED FOR WEIGHT

Our "Designed for Weight" collections are made with both aluminum and plated steel, making them ideal for windy conditions. Aluminum is used for the arms and base to create a low-maintenance, less corrosive material for those high-wear components. To maintain a similar weight as our steel collections, the "Designed for Weight" collections use powder-coated, solid-steel side rails and cross bars, along with a zinc-plated undercarriage and swivel rock components.

SUTTON IS DESIGNED FOR WEIGHT

Our "Designed for Weight" collections are made with both aluminum and plated steel making them ideal for windy conditions. Aluminum is used for the arms and base to create a low-maintenance, less corrosive material for those high-wear components. To maintain a similar weight as our steel collections, the "Designed for Weight" collections use powder-coated, solid-steel side rails and cross bars, along with a zinc-plated undercarriage and swivel rock components.

HOMECREST OUTDOOR FIRE TABLES

Embracing one of the hottest trends in outdoor living, Homecrest is proud to be an industry leader in outdoor fire tables. Available in coffee, chat, dining and balcony heights, Homecrest fire tables offer a powerful 60,000 BTU burner (30,000 BTU on fire tables with the Nova base) and come standard with your choice of fire jewelry, as well as a secure key and match-throw ignition. This incredible heat will extend your outdoor season and add ambiance to your outdoor space. Note: Rectangle and Nova base fire pits come standard with an elevated black riser under the fire bowl.

1 ALL ABOUT YOUR FIRE TABLE

ACCESSORIES

We offer several reflective fire jewelry options, lazy susans, painted aluminum lids and fire table cover options. A glass guard is a great accessory to enhance and contain the flame in windy conditions.

Note: Each fire table comes with any two 10 lb bags (your choice of one or two colors). Nova base fire pits come with one 10 lb bag and only allow for one color selection.

EASY PROPANE ACCESS

Each fire table base allows for a 20 lb vertical propane tank (utilized with all round, chat rectangular and chat square fire table bases) or horizontal propane tank (utilized with coffee square and rectangular fire table bases). These tanks are hidden, yet are easily stored and accessed by being mounted on the door or using a pull-out drawer. Our fire tables can either be fueled by propane or converted to natural gas.

EXTERNAL KEY

Each fire table comes equipped with a removable key valve, providing easy flame control when in operation and the added safety of a removable key to prevent tampering when not in use.

FIRE BURNER CONSTRUCTION

Our 20" round-shaped fire burner inserts provide additional safety, concentrating the flames towards the center of the burner and minimizing the opportunity for flames to skip on the surface.

Our fire tables that utilize a 12" x 24" and 12" fire pan insert come standard with an elevated 1" aluminum riser, in black, to prevent heat transfer to the top.

All of our fire burner/pan inserts are stainless steel and are powder-coated black to avoid discoloration of the burner surface.

FIRE JEWELRY - 1/4" GLASS

Note: Each fire table comes with any two 10 lb bags (your choice of one or two colors). Nova base fire pits come with one 10 lb bag and only allow for one color selection. When ordering fire jewelry individually (without a fire table), use the six-digit model number. When ordering fire jewelry with a fire table, use the two-digit color code number that is next to the color name.

2 SELECTING FOR AN OUTDOOR DINING OR CONVERSATION SPACE

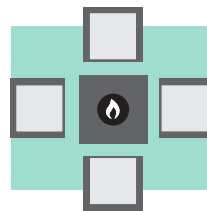

Conversation sets help create the feel of a living room in your outdoor space. Choose a pair of chat chairs with ottomans and/or a side table; or a set with a sofa and/or loveseat and coffee or fire pit.

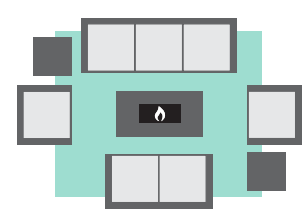

5-PIECE DINING SET:
Seats four. Four dining chairs and a 54" dining fire table.
Ideal rug size: 9 ft

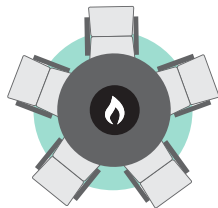

4-PIECE CONVERSATION SET:
Seats four. Loveseat, two chat chairs and a coffee fire pit.
Ideal rug size: 5 ft x 7 ft

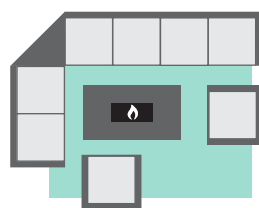

5-PIECE CONVERSATION SET:
Seats four. Four chat chairs and a chat fire pit.
Ideal rug size: 8 ft x 10 ft

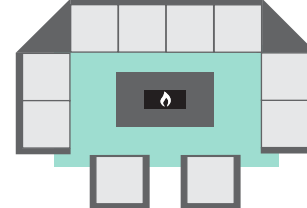

7-PIECE CONVERSATION SET:
Seats seven. Two chat chairs, Sofa, Loveseat and a coffee fire pit.
Ideal rug size: 9 ft x 12 ft

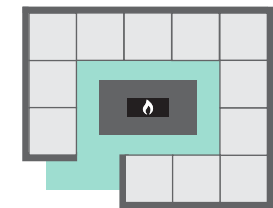

6-PIECE DINING SET:
Seats five. Five balcony chairs and a 54" balcony fire table.
Ideal rug size: 9 ft

7-PIECE CONVERSATION SET:
Seats eight. Left arm chat chair, armless sofa, right arm loveseat, two chat chairs, corner table and a coffee fire pit.
Ideal rug size: 8 ft x 10 ft

9-PIECE CONVERSATION SET:
Seats ten. Left arm loveseat, two corner tables, two armless loveseats, armless sofa, right arm loveseat, two chat chairs and a coffee fire pit.
Ideal rug size: 9 ft x 12 ft

8-PIECE CONVERSATION SET:
Seats twelve. Left arm loveseat, three corner units, armless loveseat, armless sofa, right arm loveseat and a coffee fire pit.
Ideal rug size: 8 ft x 10 ft

3 LET'S BUILD A FIRE TABLE

The paint finish features a five-year residential limited warranty, three-year solid surface top warranty and two-year fire burner warranty. For more warranty information, see page 154 or visit www.homecrest.com.

1.
Pick a fire table collection (ex. Timber | Valero Base)

2.
Select a fire table height (ex. Chat)

3.
Choose a fire table top size and shape (ex. 42" Round)

4.
Pick a fire table base color (ex. Hickory)

Note: Duo-Tone option is available for Valero bases only (select a frame color and a side panel color).

5.
Select a fire table top color (ex. Sequoia)

Note: Duo-Tone option is available for Mode fire pits only (select a base color and a top color).

6.
Choose your reflective fire jewelry and optional accessories (ex. Platinum)

Note: Your choice of one or two colors. Nova base fire pits only allow one color selection.

HOMECREST OUTDOOR TABLES

For decades, the high-end outdoor living experience centered around the dining table. From aluminum and glass to resin materials, Homecrest continues its long history of innovation in outdoor table technologies. Turn the pages to see breathtaking styles reflecting natural stone, natural wood, cultured granite and other elements used in applications from occasional tables to balcony height tables. Whether glass, metal or resin, Homecrest tables are structurally engineered to be used year-round in even the most demanding settings and are artistically designed to be a tasteful and welcoming feature in beautiful outdoor environments.

1 ALL ABOUT YOUR HOMECREST TABLE

At Homecrest, we work in three broad table surface categories. Our Natural Series encompasses a wide variety of surfaces that look like natural stone and reclaimed wood, while being created from man-made, engineered composites. Our Metal collections include cast, extruded and formed aluminum as well as embossed. Homecrest's timeless Glass series comes in various shapes and sizes for a beautiful, low-maintenance look. Continue reading to learn about the processes and characteristics that set Homecrest tables apart.

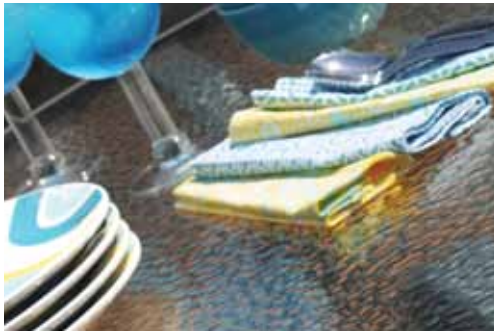

NATURAL SERIES CONSTRUCTION

Our Natural Series surfaces employ the best practices from the countertop and marine industries, producing individually handcrafted surfaces made to withstand the outdoor elements. These surfaces feature proven marine-grade gel coats, tough polyester cores and an automotive-grade "Nano-Coat" clear coating technology.

What is "Nano-coat?" Nano-Coat provides a super hard surface that is UV-protected, has a chemical-resistant paint protection and a corrosion inhibitor. The surface is then resistant to scratches, mars and abrasions. It contains anti-graffiti and anti-stick properties, which lends itself to repel water and dirt, making it easy to clean.

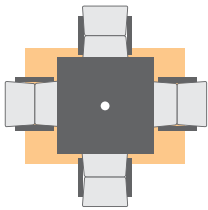

METAL & GLASS TABLE CONSTRUCTION

Our aluminum and steel product go through an extensive process that cleans the raw material from any foreign debris and prepares the surface for quality paint adhesion. A baked-on polyester powder-coat finish, is applied and provides a durable finish for many seasons.

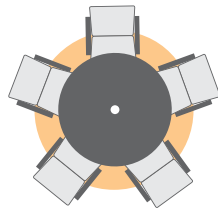

2 SELECTING FOR AN OUTDOOR DINING SPACE

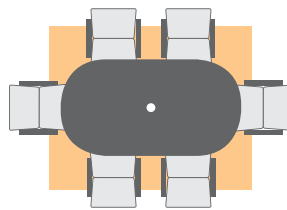

Dining sets are great for entertaining and enjoying casual meals outdoors. Homecrest offers sets that accommodate two to eight people comfortably.

5-PIECE DINING SET:
Seats four. Four dining chairs and a 42" dining table. *Ideal rug size: 6 ft x 9 ft*
Ideal umbrella size: 9 ft

6-PIECE DINING SET:
Seats five. Five dining chairs and a 54" dining table. *Ideal rug size: 9 ft*
Ideal umbrella size: 9 ft

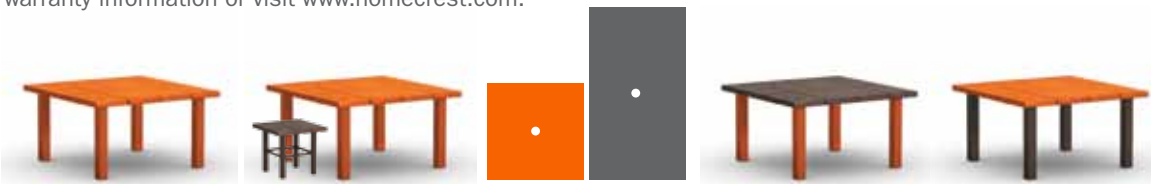

7-PIECE DINING SET:
Seats six. Six dining chairs and a 42" x 82" dining table. *Ideal rug size: 8 ft x 10 ft*
Ideal umbrella size: 11 ft

9-PIECE DINING SET:
Seats eight. Eight dining chairs and a 44" x 110" dining table. *Ideal rug size: 10 ft x 14 ft*

3 LET'S BUILD A TABLE

The paint finish features a five-year residential limited warranty and solid surface tops for three years. See page 154 for more warranty information or visit www.homecrest.com.

1. Pick a table collection (ex. Timber)

2. Select a table height (ex. Dining)

3. Choose a table top size and shape (ex. 48" Square)

4. Pick a table base color (ex. Hickory)

5. Select a table top color (ex. Sequoia)

Note: Duo-Tone option is available for Mode (select a base color and a top color) and Dockside (select a frame color and inner slats color).

PRODUCT FEATURE

Use our lift kit (KIT175) to raise the 37XX series base on all Natural Series dining tables an additional 1.75" in height, changing the table height from 27.5" (dining height) to 29.25" (café height).

MIX & MATCH

Add some glamour and pizzazz to your fire pit with Homecrest's reflective fire jewelry! Available fire jewelry options are shown on page 64.

PRODUCT FEATURE

The rectangular fire tables feature a required fire burner riser and propane drawer. The riser elevates the burner to reduce the surface temperature on the fire pit top and the drawer allows for easy access to the propane tank. Each fire table comes equipped with a removable key valve to easily control the flame and the option of a glass guard to contain the flame in windy conditions.

Note: The fire burner is a stainless steel black powder-coated burner. View fire jewelry colors and additional accessories on pages 64 and 144. The 19" coffee fire pit requires a horizontal tank that is sold separately. Use model number 005269 when ordering. Duo-Tone option available for Valero bases only (select a frame color and a side panel color).

MODE ALUMINUM

Add an element of sophistication to your outdoor space with Homecrest's Mode collection! With clean lines and contemporary inspiration, Mode sets the new standard in casual chic. Mode features a floating aluminum rectangular top and a sleek appearance that brings an elegant style to your outdoor space. Customize your Mode table, and select from a wide variety of heights and sizes to complement your outdoor seating. The aluminum top panels that float over the base frame are available in all frame finishes. Duo-Tone your Mode table or fire pit by selecting one color for the top panels and a coordinating color for the base.

AVAILABLE TOP & BASE COLORS

FIRE PITS | AURORA BASE Features a 3" edge profile.

Each fire table comes standard with a 12" x 24" rectangular 60,000 BTU black burner, external key valve, 20 lbs of fire jewelry (select one or two colors) and a black fire burner riser. Duo-Tone option is available (select a frame color and a top color).

MIX & MATCH

Add some glamour and pizzazz to your fire pit with Homecrest's reflective fire jewelry! Available fire jewelry options are shown on page 64.

PRODUCT FEATURE

The rectangular fire tables feature a required fire burner riser and propane drawer. The riser elevates the burner to reduce the surface temperature on the fire pit top and the drawer allows for easy access to the propane tank. Each fire table comes equipped with a removable key valve to easily control the flame and the option of a glass guard to contain the flame in windy conditions.

Note: The fire burner is a stainless steel black powder-coated burner. View fire jewelry colors and additional accessories on pages 64 and 144. The 19" coffee fire pit requires a horizontal tank that is sold separately. Use model number 005269 when ordering.

SANDSTONE NATURAL SERIES

Homecrest's Sandstone tops give your outdoor space a solid foundation. The inspiration for this natural-looking top comes from the Southwestern quarries of the United States. Full of beautiful, rough-hewn detail, Sandstone tops offer years of low maintenance and architecturally pleasing outdoor enjoyment. With its flawlessly natural look, this durable top will provide the perfect finishing touch for any outdoor furniture set.

TIMBER NATURAL SERIES

Cast from beautiful reclaimed wood tables, our popular Timber collection is on-trend and timeless. Using the same technology we use in all Natural Series tops, we are able to achieve a look that is marvelously realistic while retaining the outstanding outdoor performance characteristics you expect from Homecrest. Available in a variety of authentic colors that coordinate with your outdoor living space.

FIRE PITS | AURORA BASE Features a 3" straight edge profile.

Each fire table comes standard with a 20" round or 12" x 24" rectangular 60,000 BTU black burner, external key valve and 20 lbs of fire jewelry (select one or two colors). The rectangular-shaped fire pits come standard with a black fire burner riser.

QS IS FOR QUICK SHIP

This piece qualifies for our Quick Ship Program. Create your dream outdoor space by selecting from these two fabrics and one of Homecrest's frame finishes shown on page 140. To see more Quick Ship pieces, visit page 5.

PRODUCT FEATURE

The rectangular fire tables feature a required fire burner riser and propane drawer. The riser elevates the burner to reduce the surface temperature on the fire pit top and the drawer allows for easy access to the propane tank. Each fire table comes equipped with a removable key valve to easily control the flame and the option of a glass guard to contain the flame in windy conditions.

Note: The fire burner is a stainless steel black powder-coated burner. View fire jewelry colors and additional accessories on pages 64 and 144. The 19" coffee fire pit requires a horizontal tank that is sold separately. Use model number 005269 when ordering. Duo-Tone option available for Valero bases only (select a frame color and a side panel color).

OCCASIONAL TABLES

If top and base model #'s are present, use both numbers when ordering. If only one model # is present, it's a complete unit. Features a 1.75" straight edge profile.

TABLE TOP DESIGN

ASH

INNOVATIVE TECHNOLOGY

Homecrest utilizes an innovative wood grain surface technology that is used extensively in the automotive, powersports and firearms industries on our Atlas collection. The surface is protected with an acrylic automotive clear coat and passes 5,000 hours of UV-weatherability.

PRODUCT FEATURE

Homecrest Atlas tables come with a clear vinyl umbrella hole plug. Refer to the product specifications to confirm that your table comes with or without a hole.

Note: See page 140 for available frame finishes.

DOCKSIDE ALUMINUM

Homecrest Dockside tables feature clean, sleek styling in a tough, all-aluminum construction. Available in dining, occasional and balcony heights, Dockside offers a wide array of square and rectangular table sizes, as well as attractive bench options. This popular collection also features Homecrest Duo-Tone, allowing customers the option to select contrasting finishes for the frame and interior slats at no extra charge.

Contract/Hospitality SEATING

This contract section is designed to share our passion for an unparalleled guest experience, in a style all its own. With 65 years of continuous service, we continue to design and manufacture products that deliver commercial quality and hospitality style. We have collections and unique items that range from modern to traditional styles so that you can specify many projects with only one company.

Our dedication to commercial-grade materials and craftsmanship speaks for itself. Our customers tell us time and time again how truly satisfied they are with the quality and longevity of our products in the demands of various commercial environments. All our products go through rigorous commercial testing to ensure that what you specify and purchase is truly worthy of your project or property. Your reputation and guests' experience is paramount to us.

We are committed to building distinctive products with a level of robustness, craftsmanship and an unparalleled attention to detail that is uncommon in today's world. Our products are made in the USA, and we strive to meet even the most difficult deadlines. We know when your property needs a product quickly, you need a manufacturer you can count on to meet the tightest deadlines. We have the flexibility to manufacture products to accommodate a variety of projects and spaces. Every order is produced to each customer's specifications. Contact us today to find out just how economical luxury can be.

Contract/Hospitality TABLES

Fashion meets utility in Homecrest's metal collections. Our mesh, slat and café collections are equally suited for commercial applications and residential spaces where scale, stackability and care-free maintenance are top priorities. Surprisingly comfortable, even without a cushion, these ergonomically designed frames stand up to extreme weather, stack for convenient storage and security and wipe down with a cloth for the optimum in maintenance-free outdoor living, even when in rigorous use.

HOMECREST FABRICS

SENSATION & OTHER SLINGABLE FABRICS

Homecrest offers over 20 collections in our casual outdoor furniture line. Our collections reflect a variety of styles, including deep seating, dining and café. Whether you're relaxing on your patio, celebrating with friends or just enjoying the outdoors, Homecrest furniture will satisfy design tastes from coast to coast.

Sensation fabrics, offered exclusively by Homecrest, are unique in the outdoor furniture industry. They combine the strength and UV-stability of PVC fibers with the comfort and outstanding memory of elastomeric yarns. Combine this with our proprietary double layer, ergonomically contoured sling technology, and you get arguably the most comfortable outdoor sling chair on the market.

They undergo exhaustive testing for wear, memory and UV-stability, to exceptional results. Our Sensation fabrics have been out in the field for more than ten years, and customers who purchased Sensation furniture more than a decade ago currently report that their Homecrest chairs continue to have the same stretch, memory and color fastness as they did when they purchased them.

For all of the excellent technical properties, what really makes Sensation fabrics stand out at retail is the incomparable comfort. We offer several pattern and color options for use on all sling dining and sling deep seating collections that will build on the success of more than ten years of use and enjoyment by consumers across the country. If Sensation fabrics are new to you, be sure to take an opportunity to sit in a Sensation chair — you'll never look at sling furniture the same way again.

For design ideas and inspiration, visit our website. To help you visualize and customize your chair or fire table, use our Interactive Design Center at design.homecrest.com. Here you'll have the opportunity to 1) Pick your frame 2) Choose your finish 3) Select your fabric and 4) View, print and buy.

Five-Year Double Layer Sling Warranty

Homecrest Outdoor Living is excited to announce another industry first: the new five-year residential warranty on the celebrated Homecrest double layer sling. Homecrest's patented sling and padded sling designs have been the industry's most comfortable and durable sling products for decades, and customers can now enjoy the longest consumer warranty protection of any sling or padded sling on the market. The new five-year warranty applies to all new Homecrest chairs sold with a double layer sling or padded sling design, including the new Grace and Elements Air products that feature our double layer sling technology.

WELT FABRICS

Homecrest's industry-leading slings and padded slings are constructed using welting. You may select a welting color below to coordinate with your fabric or, if no welt fabric is selected, the welt fabric will default to match the frame finish. These options can also be used as slings and backing for padded slings.

DESIGN TIP

Want something sleek and monochromatic? Choose from these fabrics for your sling front, back and welt to create a self-welting look. To visualize this look, visit our Interactive Design Center at design.homecrest.com.

HOMECREST WOVEN

Our fully woven baskets are constructed with high-quality resins rated to 5,000 hours for UV-stability — the highest designation in the industry. This synthetic wicker is not subject to mildew and is available in two color options, Coco and Hampton.

COCO | Herringbone Weave

HAMPTON | Straight Weave

OUTDURA® FABRICS

Homecrest has partnered with Outdura to offer Homecrest dealers and consumers more exclusive fabric options. With the addition of these durable and fashion-forward fabrics, you'll be sure to create an outdoor space that speaks your style.

SUNBRELLA® FABRICS

In addition to the Homecrest sling selections, the Sunbrella stock line is available for new orders and replacement cushions.

- Colors stay strong and vibrant in sun exposure and can be cleaned with bleach.
- Fabrics are soft, durable and create an inviting decorative option.
- Jacquards, stripes and solid-color textures can create a dramatic effect for your outdoor space.

ULTRALEATHER® FABRICS

The Ultraleather outdoor collection is available on our cushion and padded sling seating options. For the padded leather seating option, we recommend selecting a coordinating solid sling welt and back for a seamless look (i.e. Polar leather and Glacier welt and back).

SEATING OPTION & FABRIC SELECTION GUIDE

SS Sensation Sling & Sling | Our patented Airo² seating option utilizes a sling, giving it the look of a cushion in a sling, and is featured on our Air collections. There is no insert or fill material, and it is based on an empty box design. This cushionless design uses our exclusive Sensation fabrics for unmatched comfort and support. Sensation fabrics are also available on all collections that have a sling seating option. Note: The Airo² collection features a single layer sling (two-year warranty) whereas Elements and Grace Air feature Homecrest's patented double layer sling (five-year warranty).

S Sling | The Homecrest-pioneered sling is constructed of double layers for unmatched comfort and support. Our durable outdoor sling is available in a variety of outdoor fabrics and is easily replaced. Minimal maintenance and comfortable design continues to make the Homecrest sling a #1 choice from coast to coast. When selecting a Homecrest sling seating option (except for Allure), you will need to select a welt or binding color. Welting will match the frame finish unless an alternate is selected. Slings utilize the same fabric on the front and back for an attractive look. All double layer slings carry a five-year warranty.

PS Padded Sling | Our padded sling seating option features a triple layer sling with slight padding for added comfort. This attractive chair with distinctive silhouette stitching gives you not only a comfortable sit, but is also a stylish addition to your backyard or patio. The padded sling seating option expands your fabric options to include cushion or acrylic fabrics in addition to our slingable fabrics. Like the sling seating option, when selecting the padded sling seating option, you will need to select a welt or binding color. Welting will match the frame finish unless an alternate is selected. Padded slings will have the same front and same back if selecting a fabric that is available in both sling and padded sling. However, if you select a fabric that is available as a padded sling and NOT as a sling, you will need to select a sling fabric for the back that says it is available as a sling seating option.

C Cushion | Our durable cushions provide additional comfort in a fast-paced world (the cushion seating option includes deep seating, removable cushions and padded seats). Homecrest cushions are extremely comfortable and water-resistant. To learn more about our cushion construction, visit pages 8 and 9.

WB Woven | Homecrest Woven products use synthetic resins with a 5000-hour UV-rating, the highest designation in the industry. Our woven seating products are fully woven around both sides of a rock-solid, powder-coated aluminum frame. The resins are stable through extreme temperature variations and will remain flexible and supple to the touch after multiple seasons. They are also highly fade-resistant and are not subject to mold or mildew.

W Welt | Welting or binding will match the frame finish unless an alternate is selected.

HOW TO READ A HOMECREST FABRIC LABEL & MAKE ORDERING EASY...

When choosing a fabric for the product selected, seating options coding will confirm the availability. Please indicate the fabric grade and follow the "ordering process" instructions for that fabric.

ORDERING PROCESS:

- ✓ - Select fabric (same front/back)
- ✓ - Sling and Padded Sling: Select welt color (welt will match frame finish unless an alternate is selected)

Denotes what seating option the fabric is available on.

Ordering Process:

Sling (Yes):

- Select fabric (same front/same back)
- Select welt color (welt will match frame finish unless an alternate is selected)

Sling (Yes) and Padded Sling (Yes):

- Select fabric (same front/same back)
- Select welt color (welt will match frame finish unless an alternate is selected)

Cushion (Yes):

- Select fabric (same front/same back)

FRAME FINISHES

All Homecrest outdoor furniture is completely coated with a textured powder-coat finish. Known as an industry leader for our state-of-the-art paint line, our eco-friendly finishing department uses modern powder-coat frame finish colors on all of our furniture frames, tables and bases. With Homecrest's experience and technology, your outdoor space will endure the seasons, year after year.

PRODUCT FEATURE

Our reflective fire glass is more vibrant, more brilliant and cleaner than almost every other brand in the industry. Our unique method of producing fire glass reduces the amount of fine glass powder created during the more-popular tumbling process used by most companies in the industry. By reducing fine glass powder, this method positively affects the performance of your burner and brings out the brilliance of your fire glass. Our jewel-like glass crystals will last a lifetime without burning, melting, emitting toxic fumes or discoloring. Each Homecrest fire table comes with two bags of fire jewelry. Select from our modern, versatile assortment of colors and illuminate your outdoor space.

MARKET | DINING & BALCONY/BAR HEIGHTS

Our Homecrest dining, balcony and bar umbrellas are the benchmark by which others are compared and are available in many of the Homecrest fabrics.

UMBRELLA FEATURES:

- 100% non-recycled aluminum frame offers 30% more strength.
- 1.2 mm wall thickness – offers 20% more strength than low 1 mm.
- 1 mm rectangular rib extrusion – offers more strength than others main pole.
- Manual crank lift for easy operation.
- Kevlar woven lift cord – offers superior strength and is lightweight and flexible.
- Advanced tilt mechanism – offers greater tilt angles for more and longer shade.

REPLACEMENT SLINGS, CUSHIONS & PARTS

Whether you're looking for slings, cushions, pillows, paints or parts, with Homecrest Outdoor Living's exclusive replacement program, you can easily revitalize your existing Homecrest outdoor patio furniture. Replacements for our outdoor furniture are available in both current and discontinued products. Many of our classic outdoor furniture collections are still available today, including our vintage wire frame collections.

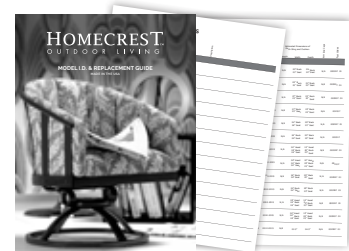

Need Help Identifying a Product?

Homecrest has made it easy to determine which collection your product is a part of. Here are three tools to help you with the identification of your product:

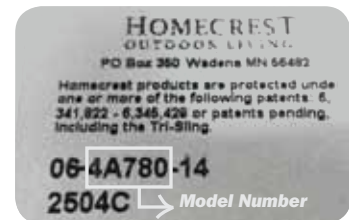

The **Catalog Archive**, found at homecrest.com/catalog-archive, is an invaluable tool for identifying replacements for resilient Homecrest outdoor patio furniture by allowing you to look through past catalogs. With the model number identified, use the Model Identification Guide to direct you to the replacement number needed.

The **Model Identification Guide**, found at homecrest.com/replacements, allows you to search (Ctrl-F) by model number, collection name, year of purchase and product type (i.e. glider, swivel rocker, etc). Once you have found your product, refer to the "Replacement #" column to find the replacement number you need to use when placing an order. *Note: Replacement arm and floor glides are also listed.*

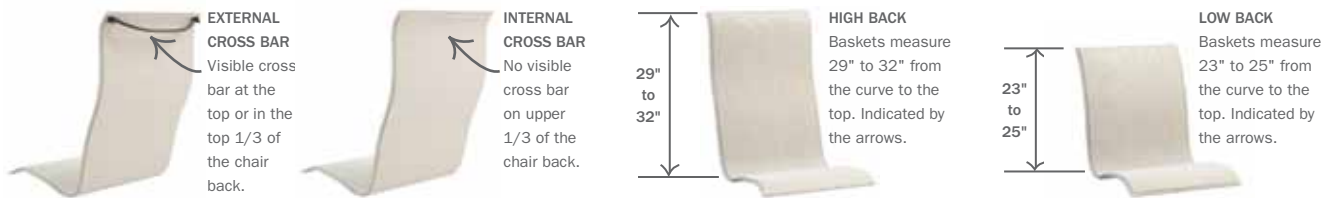

Products manufactured after 1998 have a **manufacturing decal**, which is located on the product's metal frame. On the manufacturing decal, there is a set of digits. The first two digits indicate the week of the year the product was produced, the next set of digits represent the product's model number and the last two digits are the year the product was produced. With the model number identified, use the Model Identification Guide to direct you to the replacement number needed.

How to Determine Your Sling or Padded Sling Basket

The majority of replacement baskets are low back and high back sling chairs that Homecrest has produced over the years. These chairs utilize four different replacement slings. Here is a quick way to identify replacements needed for these four types of chairs.

- Determine if your chair has an external or internal cross bar and if your chair is a high back sling or a low back sling.

- Select your sling style. Note: A sling replacement tool is included with each order.

How to Determine the Fabric You Need

Reference swatch labels or the fabric index in both the catalog and price list to identify fabrics that are available for your type of replacement. You can view an example of the fabric label on page 139.

Assembly of Replacements

There are several "how-to's" and videos available at www.homecrest.com/replacements that will assist you with the assembly of your slings and padded slings.

Need help visualizing these options? Visit the Interactive Design Center at design.homecrest.com to create the look that fits your style! *Note: Colors are representations, please refer to an actual sample.*

CELEBRATING 65 YEARS...

From early ottomans to the original swivel rocker to one of today's leading outdoor furniture manufacturers, the Homecrest brand has been an industry favorite since 1953. Homecrest combines a rich history of quality and classic design with today's demand for affordable luxury and versatile living. Over the years, Homecrest's focus has broadened to encompass the increasing demands of sophisticated, style-driven consumers seeking to complement their homes' interior designs and create a seamless flow between indoor and outdoor living spaces.

#25 CHAIR

KINGSTON

EDINA

CRICKET

HOLLY HILL

1953

Homecrest begins in the back warehouse of a furniture store making a Hassock ottoman.

1956

Homecrest patents a swivel rocker mechanism and introduces it on an indoor chair, which brings growth to the company.

1960

Enters the outdoor casual market with a wire frame café chair.

1962

Introduces the well-known models like the 36 and 90 chairs.

1966

Homecrest's growth inspires a variety of both indoor and outdoor collection designs.

1971

Vinyl strap is a growing category bringing new color and style. The growing wire frame collection Edina, in the popular Holly Hill fabric pattern, is widely retailed across the country.

1983

Homecrest introduces the double layer sling, which provides unsurpassed comfort. The double layer sling is unique to the industry and is still in use today.

1985

Homecrest retires the wire collection, yet continues to offer replacement cushions and slings today for most collections, including vintage wire.

1988

Homecrest adds the padded sling option to the growing list of collections.

1991

The introduction of the Holly Hill cushion collection allows Homecrest to offer a wider variety of low maintenance aluminum pieces to fit the needs of a growing market.

Since 1953

AFFINITY

2000

Homecrest moves into a new state-of-the-art manufacturing facility, which remains home today. All products continue to be proudly engineered and manufactured in the USA.

2001

Homecrest receives the Manufacturer Leadership Award for the fifth time.

PALISADE

2002

Homecrest takes the comfort of the double layer sling to the next level with the use of Sensation stretchable fabrics. Another industry first.

2004

The Holly Hill sling collection is named a Consumer Best Buy.

2009

Homecrest introduces the industry's first swivel rocker balcony stool.

BELLAIRE

2011

The innovative Airo², a cushionless deep seating group, is introduced to the industry. Airo² offers the comfort of a cushion with the easy care of a sling.

2013

Taking inspiration from Homecrest's 1960s B99 chair, Homecrest launches the Bellaire collection.

2015

It was an exciting new product launch year at Homecrest with fashion-forward styles that continue to speak comfort. A few introductions include Grace deep seating Grace sling and over 100 fire table combinations.

ELEMENTS AIR

2016

The nostalgia of a long-time Homecrest customer favorite prompted Homecrest to introduce the Liberty Barrel Chair.

2017

Homecrest introduces Elements Air and Grace Air. This newly expanded category brings the most revolutionary seating collections to hit the outdoor furniture market in years. The new Air design builds on the Airo² collection and the popular and proven double layer bag sling design Homecrest is well-known for.

ALLURE

2018

This year marks Homecrest's 65th anniversary, and they continue to design and manufacture product in Wadena, Minnesota. Homecrest introduces the five-year warranty on all double layer slings. Not only does a Homecrest chair take twice the amount of fabric to create the comfort in a durable bag sling, but it is now backed by the strongest sling warranty in the industry. Moreover, Homecrest launched three new sling collections that are designed for weight and unveils two new cushion collections: Allure and Sutton. They also introduce new frame finishes, metal collections, fire tables and natural series tops.

Made in the USA

HOMECREST LIMITED WARRANTIES

Product must be registered at www.myhomecrest.com to activate warranty.

Homecrest Outdoor Living, LLC (Homecrest) is devoted to providing the consumer with industry leading comfort and quality. With over 65 years of experience in manufacturing outdoor furniture, we are widely known for our comfort, quality and style. Our suppliers, manufacturing team and sales personnel are devoted to making your experience with our products an enjoyable one.

Homecrest's Residential Limited Warranties apply to Homecrest products used in a residential setting only. Homecrest's Commercial Limited Warranties apply to Homecrest products used in a commercial setting only. All warranty periods are based on the original purchaser's date of purchase, and are not transferable. Our warranties apply only to products shipped from the factory after January 1, 2008 (product codes ending in -08 or later). The purchaser must comply with the required warranty registration as explained. There is no warranty in existence if there is failure to register. Product must be registered at www.myhomecrest.com within 60 days of purchase for warranty to be activated. A copy of the original sales receipt and the product code must be submitted with all warranty claims (photos may also be required). Any repair of the Product undertaken without prior written authorization from Homecrest will void this warranty. Warranty for any refinished or replaced product shall be only for the remainder of the warranty period applicable to the original product.

THESE LIMITED WARRANTIES ARE IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES AND EXPRESS THE SOLE AND EXCLUSIVE LIABILITY OF HOMECREST EXCEPT AS EXPRESSLY STATED HEREIN, THERE ARE NO OTHER WARRANTIES OR GUARANTEES ORAL OR WRITTEN EXPRESS OR IMPLIED FROM ANY COURSE OF DEALING OR USAGE OF TRADE AND ALL SUCH IMPLIED WARRANTIES, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR INTENDED PURPOSE ARE EXPRESSLY DISCLAIMED. THESE LIMITED WARRANTIES MAY NOT BE MODIFIED, EXTENDED OR ENLARGED BY ANY REPRESENTATIVE OF HOMECREST OR INTERMEDIATE SALES ASSOCIATE OR AGENT.

These warranties give you specific legal rights. You may also have other rights which may vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitations or exclusions may not apply to you.

WHAT OUR WARRANTIES COVER

Aluminum and Steel Frames (structural failures) | 15 years residential and 5 years commercial | Aluminum and steel frames are covered from structural failures for 15 years from date of purchase in a residential setting and five years in a commercial setting. If the frame fails during the 15 years in a residential setting and five years in a commercial setting under normal usage, and is not the result of abuse or an act of God, Homecrest will repair or replace the frame at the manufacturer's discretion. If replacement is required, and your original frame is no longer manufactured, we will replace it with a similar product. Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval.

Painted Surfaces (peeling, flaking, or blistering) | 5 years residential and commercial | Painted frame surfaces are covered against peeling, flaking or blistering for a period of five years for both residential and commercial settings. If the painted surface peels, flakes, or blisters and the furniture has been maintained per the recommended care and maintenance instructions, Homecrest will repair or replace the frame at the manufacturer's discretion. If replacement is required, and your original product is no longer manufactured, we will replace with a similar product. Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval.

Double Layer Slings and Padded Slings | 5 years residential and 2 years commercial | The fabrics used on our double layer slings and padded slings are warranted against tearing, discoloration, or excessive fading for five years in a residential setting and two years in a commercial setting when maintained per the recommended care and maintenance instructions. In the event a replacement is required, Homecrest will replace the double layer sling or padded sling with the same, or comparable, fabric based on manufacturer's discretion (installation labor not included). Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval. Double layer slings and padded slings residential five-year and commercial two-year warranties are valid on product purchased after March 1, 2017. Product purchased prior to March 1, 2017, but after January 1, 2008 carry a two-year warranty from date of purchase.

Solid Surface Table Tops | 3 years residential and 1 year commercial | Solid surface table tops (i.e. Natural Series table tops) are warranted against structural failures, finish cracks and blisters for three years when used in a residential setting and one year in a commercial setting. Failure to properly maintain the table top, or store it properly during inclement weather, will void the warranty. If the table top (other than glass) fails, or the finish cracks or blisters during the warranty period, we will repair, refinish or replace the top. Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval.

Note: For product care and maintenance instructions, please visit www.homecrest.com/FAQ.

Vinyl Straps | 3 years residential and 1 year commercial | Vinyl strapping is warranted from discoloration or breakage for three years in a residential setting and one year in a commercial setting. In the unlikely event that the strap significantly discolors or breaks, Homecrest will supply replacement strap (installation labor not included). Glider bearing hangers are warranted for three years against failure in a residential setting and one year in a commercial setting. In the unlikely event a bearing hanger fails, Homecrest will supply a replacement hanger (installation labor not included).

Woven | 3 years residential and 1 year commercial | Homecrest Woven products are covered against fading, cracking and structural failure for three years in a residential setting and one year in a commercial setting. In the event a replacement is required, Homecrest will replace the woven basket or side panel (installation labor not included). If replacement is required, and your original product is no longer available, we will replace it with a similar product based on manufacturer's discretion (installation labor not included). Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval.

Single Layer Slings, Cushions, and Umbrella Canopies | 2 years residential and 1 year commercial | The fabrics used on our cushions, single layer slings, Airo² and umbrella canopies are warranted against tearing, discoloration or excessive fading for two years in a residential setting and one year in a commercial setting when maintained per the recommended care and maintenance instructions. In the event replacement is required, Homecrest will replace the cushion, single layer sling or umbrella canopy with the same (if available) or comparable fabric based on manufacturer's discretion (installation labor not included). Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval. Airo² is a single layer sling.

Fire Table Burners | 2 years residential and 1 year commercial | Crystal fire burners (24" round and 12" x 24") are warranted to be free from defects in material and workmanship for a period of two years from the date of purchase in a residential setting and one year in a commercial setting. The warranty is limited to the replacement or repair of defective components or workmanship. Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval. If replacement is required, and your original product is no longer available, we will replace it with a similar product.

Miscellaneous Items | 1 year residential and commercial | The warranty of the finish on coiled steel spring rocker mechanisms, plastic parts, flex plates, glides, swivel inserts, metal umbrellas, cord and umbrella base is warranted for one year in a residential and commercial setting from the date of purchase when maintained per the recommended care and maintenance instructions. Homecrest will repair or replace the product at the manufacturer's discretion. Homecrest will pay the warranty freight if within the first year in the Continental United States. Return of product will not be accepted without prior written approval. If replacement is required, and your original product is no longer available, we will replace with a similar product.

Replacement Program | 1 year residential and commercial | All purchased slings, cushions and parts, etc. bought online through www.homecrest.com or through a retailer carry a one-year warranty from date of purchase.

WHAT OUR WARRANTIES DO NOT COVER

These Limited Warranties are restricted to failures resulting only from normal usage and natural weathering and will not cover damage or failure of product attributable to:

- Acts of God, falling objects, fire, explosions, external forces or any similar physical damage.
- Failure caused by misuse or lack of appropriate care and maintenance of the products. Refer to the care and maintenance instructions.
- Damage caused by caustic chemicals and/or power washers.
- Products shipped from the previous factory prior to 1/1/2008.
- Glass and acrylic table tops.
- Vinyl furniture covers.
- Showroom samples and factory outlet purchases.
- Normal fading of fabrics, straps and painted surfaces.
- Bursting and cracking of tubing and extrusion caused by exposure to moisture and freezing temperatures.
- Return freight after one year.
- Salt water exposure – due to the demands of salt air, weekly cleaning and quarterly waxing of painted surfaces must be maintained to prevent finish blisters and corrosion. Failure to carefully follow our care and maintenance instructions will void the warranty.

CLAIMS PROCEDURE

In the event that a warranty claim file needs to be opened, contact your local Homecrest retailer to facilitate the process. If a local retailer is not available, you may also contact Homecrest via our website by going to www.myhomecrest.com. Warranty for any refinished or replaced product shall be only for the remainder of the warranty period applicable to the original product. During the warranty process, you may be required to either return the defective merchandise or provide proof of destruction. Working through your local retailer is highly recommended, when possible. Many of our retailers can fix and/or handle issues immediately, saving you both time and expense in the warranty process.

FREIGHT

All Homecrest furniture is delivered to the carrier in factory new condition. Claims for damage or losses that occur during shipping must be noted at the time of delivery and filed with Homecrest. Send written notice of the claimed condition to:

Homecrest Outdoor Living, LLC, 1250 Homecrest Avenue, Wadena, MN 56482.

5 years

DOUBLE LAYER SLING WARRANTY

Homecrest Outdoor Living is excited to announce another industry first: the new five-year residential warranty on the celebrated Homecrest double layer sling. Homecrest's patented double layer sling and padded sling designs have been the industry's most comfortable and durable sling products for decades, and customers can now enjoy the longest consumer warranty protection of any sling or padded sling on the market.

MADE IN THE USA

With its made-in-America quality and comfort, its design, innovation and incomparable styling, fabric and finish options, Homecrest outdoor furniture is proud to be an iconic American brand that continues to be designed, engineered and manufactured right here in the USA.
