

Cushions are secured to withstand wind and ensure long-lasting performance.

MAGNETA CUSHION

DREAMCORE™ | ALUMINUM

Available in: C Cushion

Sleek, modern, and aerodynamic: meet our Magneta cushion collection. Its accentuated, curving arms place this series firmly in the Streamline Moderne style, which originally emerged as an international evolution of French Art Deco design. In addition to its cosmopolitan visual appeal, our Magneta cushion pieces feature Homecrest's DreamCore cushions, which are designed for both weather resistance and delivering a luxury seating experience.

Note: A solid color fabric selection is required for the back of each unit, with the cushion being the same color or a coordinating pattern. Visit our website for fabric information and options. Solid color fabrics that have a woven texture or color direction will run the opposite direction on the back frame slip cover of all Magneta pieces. Grade and appropriate upcharge for the back frame slip cover fabric selection is calculated separately from the cushion fabric grade.
