

a day with homecrest

edina set

It's the quiet time, when dawn folds back the dark shade of night, and a day with Homecrest begins. Comfort is a quiet thing too, and beautifully provided for in our Edina grouping.

The Edina set consists of one No. 273 sofa, one No. 29 high-back swivel rocker, one No. 120 ottoman, one No. 27 low-back swivel rocker, two No. G1917 lamp tables, and two No. G1515 bunching tables. Sofa and chairs feature removable cushions in summer plastics or casual expanded vinyls and cloth. Frames and bases are of welded steel construction in white, pompeian green or black finish; the modern pedestal bases have strong, molded nylon swivels. The tables, with square, tubular steel frames in black or white finish only, have sparkling, Temper-Tuf safety glass tops.

caribbean set

A legend in its own time, and justifiably so, is our crowd pleaser, the Caribbean glider set. At home in any setting, this group provides beauty in motion with smooth glider action and our famous swivel rocker comfort.

The Caribbean set is available with your choice of glider (1748G22 set) or sofa (74322 set). The glider set pictured consists of one No. 1748G glider, two No. 72 swivel rockers, one No. 1542 cocktail table and two No. 1521 end tables. Frames of durable welded steel in white or pompeian green enamel finish, with lift-off seat and back cushions upholstered in bright summer vinyl plastics. Table tops are of expanded metal in diamond mesh pattern, with matching finishes.

ventura set

Front and center in the winners' circle is our delightful Ventura set, an ensemble of coordinated units. Unmistakably Homecrest in design and comfort, this set adds sparkle to life's leisure moments.

The Ventura set is available with your choice of mini-glider, (1744G-2,36 set) or mini-sofa (742-2,36 set). The glider set pictured consists of one No. 1744G glider and two No. 36 swivel rockers. Sturdy welded steel frames are finished in white or pompeian green; removable easy-care summer vinyl cushions are offered in a medley of patterns. The HiLo adjustable mesh top tables shown are not inclusive with the set; as with all patio tables they may be combined with any Homecrest units for a host of effects. Arm pads for No. 36 optional at additional cost.

742 two seater sofa

sheridan set

A quiet lagoon may exist more in the mind than in fact, but the lulling effects of this leisure grouping will provide the same result. The balance of modern design and sculptured comfort creates a unique casual set with contemporary impact.

The Sheridan set features two No. 642 modular love seats, one No. 64 modular chair, one No. 180 ottoman, one No. G1917 end table, and one No. G2525 corner table. Love seats and chair have formed welded wire frames; bases and tables are constructed of tough square steel tubing. Offered in black or white finish, these units are available with smart summer plastic cushions or expanded vinyl or cloth cushions from the casual line. Table tops are of strong Temper-Tuf safety glass.

642 modular sofa

toledo set

Today's living patterns gain more than token approval when translated by Homecrest skill into this vibrant grouping. These versatile units combine side chair portability with easy chair comfort.

The Toledo set (64-2,G1917) consists of two No. 64 modular chairs and one No. G1917 glass top table. The chairs, with all steel welded construction and tubular steel bases, may be used singly as pictured or combined to form a mini-sofa. The G1917 cube table has Temper-Tuf safety glass, and with the chairs, is available in black or white frame finish. Chair cushions come in your choice of gay summer plastics, or casual expanded vinyls or cloth.

chaise, rocker, server

Designed to make their own bold statement or blend beautifully with other patio groupings, these proven favorites generate enthusiasm wherever shown. Comfort you can feel - beauty you can see - the hallmarks of Homecrest success are accented here.

The No. 105 chaise lounge and No. 90-110 swivel rocker and ottoman with their all welded steel construction offer unparalleled enjoyment with their famous, floating action swivel bearing bases with roll-away convenience. The No. 105 has the added convenience of an adjustment crank to provide a variety of relaxing positions. Both chairs come with generously filled foam cushions in decorative summer vinyls. Our No. 16N server with its removable shelf and tray and easy-roll front wheels adds flair to patio settings. All units in white or pompeian green finish. Arm pads for No. 90 optional at slight additional cost.

floating chair/stand

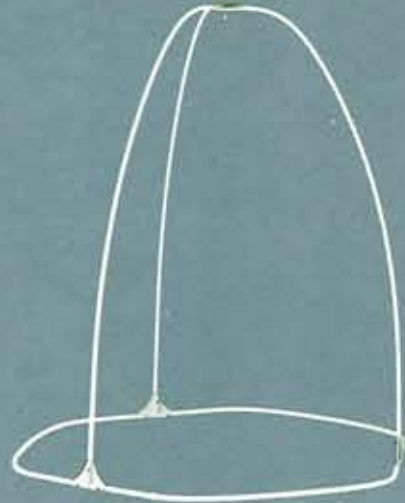

Swing free from the sand castle crew while you bask in the comfort of a truly original chair. Our sassy entry in the innovative seating field creates its own environment of comfort, with or without the stand.

Homecrest's No. H20 floating chair is constructed of strong, welded tubular and solid core steel, with a heavy helical spring and cord wrapped arms. Stylish summer vinyl cushions or casual expanded vinyl or cloth cushions are available choices with this unit, which may be used independently of the stand. The No. 30 stand forms a durable tripod of intriguing support; in white finish only, both frame and stand have an all-weather finish of powder coated vinyl.

courting swing, chaise

Put a canopy over your cares while you sway the blues away in Homecrest's renowned courting swing. Let our tension-chasing chaise banish the "wearies" through its built in comfort features. Add a snappy little cigarette table and the basics for total relaxation are at hand.

The No. 125 courting swing offers outstanding comfort, thanks to a contoured seat suspended over resilient coil springs. The strong, tubular steel A frame construction prevents lawn sinkage, and the cooling canopy is adjustable while seated. Arm pads for the No. 125 are optional at slight additional cost. Our No. 135 chaise has a six position back or lies flat for sunbathing, with rubber tired wheels for ease in moving. Both models are offered in a bright array of summer vinyl cushions. The No. 130 cigarette table offers instant convenience without size, and as with the chaise and swing, comes in your choice of white or pompeian green enamel finish.

hollywood set

That the whole equals more than just the sum of its parts is aptly illustrated in Homecrest's Hollywood set. Neat and compact to compliment small spaces, this set features surprising built-in conveniences.

The Hollywood set, (A21S2), consists of two No. 36 patio swivel rockers and a No. 21 HiLo table. The chairs, with all welded steel construction are contoured for exceptional comfort, and highlighted by our sturdy, floating action swivel rocker bases. Finished in mar-resistant baked-enamel in a choice of white or pompeian green, the cushions are replaceable polyfoam upholstered in gay summer plastics. Arm pads for No. 36 rockers available at small additional cost. The A21 HiLo adjustable mesh top table can sport its own matching tablecloth.

36 patio swivel rocker
32"H x 27"W x 17"D. 1 ctn.

A21 adjustable table
15" to 26"H x 21"rd. 1 ctn.

patio party set

A garden of delights gives gentle accent to our Patio Party set. The fresh and functional styling of this popular group promotes sip and sit back relaxation.

The Patio Party set, (A2742U-58-4) is comprised of four No. 58 side chairs and one No. A2742U adjustable umbrella table. An all welded steel construction in white or pompeian green enamel finish and removable seat cushions in happy summer plastics provide lasting good looks. The A2742U mesh top adjustable table with umbrella insert (plug available upon request) adjusts to two heights for added convenience or folds flat for storage. A larger mesh top dining table, the A3654 with a choice of four or six side chairs is a second alternative for increased needs. Tablecloths for either table model are available.

A3654 mesh top table
20" to 27"H x 37"W x 54"L, 1 ctn.

A2742U umbrella table
20" to 27"H x 42" diam, 1 ctn.

58 patio chair
36"H x 16" diam, 2 per ctn.

mini set

Simplicity is its own style, and hard to beat as presented in this fashionable little dining set. An especially appealing group for use where space is limited, the graceful styling and modest cost make it a marketing go-getter.

The Mini set, (G2630-56-2), consists of two No. 56 chairs and one No. G2630 table. Steel frames are of welded construction with baked-on acrylic enamel finish in your choice of white, pompeian green or black. Chair seats are available in either colorful summer plastics or casual wet look vinyls. The G2630 table sports a gracefully styled pedestal base, with a smooth-edged, textured, tempered safety glass top. Non-mar glides are inclusive on all dining chairs and tables.

G2630 glass top table
26"H x 30" round, 1 ctn.

56 patio chair
36"H x 16" diam, 2 per ctn.

patio party set

Here's our updated "ice cream parlor days" set, still clicking along on the modern scene. Moderate pricing and special sell features conspire to keep them moving off a buyer's floor.

The Patio Party set, (A1273-58-2), is comprised of two No. 58 patio chairs and one No. A1273 HiLo adjustable mesh-top table. Sturdy frames of welded steel construction come in gleaming white or pompeian green enamel finish, and seats are upholstered in a choice of sunny summer vinyls or casual wet look vinyls. The table with durable diamond mesh top has a 10" adjustment height and swivels in the lower position for snack time use. Tables and chairs mix or match with other Homecrest patio units. A 30" matching tablecloth is offered at additional cost.

meridian set

The quintessence of casual charm in a stunning set that guarantees to make dining a memorable experience. The classic, quietly elegant lines enhance any setting, and carry the message of inherent good taste.

The Meridian set (G3048-56-4), has strong steel frames of welded construction, with beautiful textured Temper-Tuf top with the safety glass features. Seats are comfortably padded in an assortment of decorative summer plastics or in expanded wet look vinyls from the casual line. Your choice of white, pompeian green or black frame finish in mar-resistant baked-on enamel.

floating chair

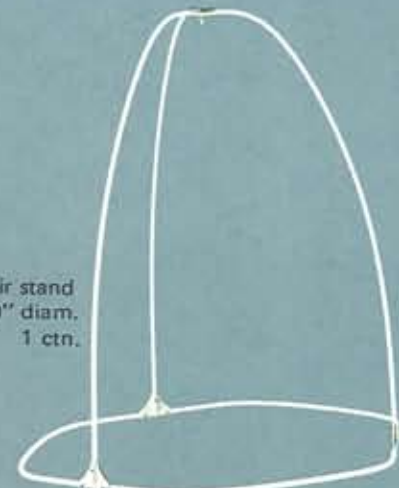

Just as ripples on the water meet and make their presence felt, Homecrest's H10 floating strap chair makes waves wherever displayed. The subtle balance of design, shape and function make a novel impact on the modern furniture scene.

The No. H10 floating chair is constructed of rugged tubular and solid core steel with our special all-weather vinyl powder coated finish. Durable PVC (polyvinyl chloride) straps in a choice of six smart colors make this unit as maintenance free as modern technology allows. The No. H10 can be suspended in a variety of ways, or used in conjunction with the No. 30 stand, shown in small relief. This unit is available in white finish and solid color strapping only.

sacramento set

Here's the great look going in strap dining sets, cool and stimulating as a sea breeze. A choice of table and chair styles insures comfort and convenience for any family.

The Sacramento set consists of a fiberglass top umbrella table with strap banded legs (F6224U) to correlate with the chairs, or with inset legs (F2642U); No. 67 strap stationary chairs, No. 63 strap rocker chairs, or in combination as pictured below. Unit frames are powder coated vinyl over steel to provide all weather durability. The molded fiberglass table top has a textured surface in slate grey, white, yellow or green. Our chairs, PVC strapped for minimum maintenance, come in six most demanded colors (alternate or chevron strapping available). An umbrella in coordinated Homecrest patterns, and aluminum umbrella stand optional at additional cost.

strap swivel rockers

For those whose chip shots usually fall short of the green, Homecrest's strap swivel rockers offer therapeutic comfort. Designing chairs to coddle your leisure moments is par for the course with us.

The No. 63 low back strap swivel rocker and No. 68 high back strap swivel rocker both sport strong ball bearing swivel rocker bases for unparalleled pleasure. An all weather powder coated white vinyl finish over welded steel frames are made to stand the test of time. We'll strap them in solid, chevron, or alternate style in a choice of six bright strap shades. Resilient, individually placed straps are of tough PVC vinyl, treated to resist weather and wear.

68 high back strap chair
43"H x 25"W x 17"D. 1 ctn.

63 low back strap chair
33"H x 25"W x 17"D. 1 ctn.

side chair & lounge

Form follows function as a basic tenet of good design, a principle handsomely illustrated in our brawny strap lounge and side chair grouping. *This* is going to be the summer to say it with strap.

The No. 610 lounge with individually suspended PVC straps features a multi-position back to accommodate all leisure uses from swivel stick stirring to sunbathing. The functional side chair, No. 61, offers companionable seating in a complimentary style. Both lounge and side chair are made of strong, solid core steel with Homecrest's own special powder coated white vinyl finish for years of carefree use. As with most strap units in the line, the 61 and 610 may be strapped in solid color, chevron or alternate pattern.

san jose set

Good things do still come in small packages, as evidenced by this new and zesty patio set. The smart answer where space is at a premium, this value packed grouping is guaranteed to make many friends in the coming years.

The San Jose set consists of two No. 58 patio chairs, and one No. F1830A fiberglass table. All three units are offered in white, powder coated vinyl finish to resist the effects of weather. Lift out cushions on the No. 58 chairs are available in either floral summer plastics or sharp, wet look vinyls from the casual line. The adjustable fiberglass table boasts a slightly textured molded surface in your choice of slate, white, yellow or green color. All units in this set have replaceable plastic glides, insuring their suitability for coastal climates.

brasilia set

Like its namesake, a promise fulfilled - this innovative set charts new territory to stake its claim to fame. This dynamic combination of strap, fiberglass and steel will pave new roads in patio sales.

The Brasilia set is comprised of two No. 60 spring chairs, one No. 165 ottoman, and one No. F1830A fiberglass table. Chairs and ottoman are strapped to perfection over sweeping bands of 5/8" solid steel. Frames and table base are smooth, powder coated vinyl in white finish only, with stainless steel glides for surface protection. The adjustable fiberglass top table may be ordered in white, slate, yellow or green to coordinate with our six strap colors. A cushioned version, the No. 70 chair and No. 175 ottoman in decorative summer vinyls is offered as an attractive alternate.
