The Homecrest Story

Homecrest Outdoor Living has championed comfort and quality while remaining a truly made-in-America brand. Our roots go back to 1953, and over the course of our 65 years in the industry, we have continually valued passion for casual outdoor furniture and the lifestyle that goes with it. Over the years, we've embraced and influenced the American outdoor living style as it has developed and evolved. We have been here for our customers with service that goes above and beyond, and we are always looking to make your experience with Homecrest exceptional.

From Homecrest's industry-leading five-year residential double layer sling warranty, to the furniture designed for comfort, to our natural-looking table tops and cushionless deep seating, everyone on the Homecrest team believes in the Homecrest brand, community and purpose. Throughout the years, Homecrest has prided itself as a company that not only builds outdoor furniture, but also builds a tight-knit community that promotes feelings of family, comfort, joy, health and well-being.

sustainable products

Healthy outdoor living means protecting the environment. Today, more designers and consumers are interested in environmentally-friendly designs and products. Homecrest Outdoor Living products are designed and tested for an extended life cycle to reduce our impact on the environment. We consistently conduct testing at higher levels than the industry requires, lengthening our product life span for many years.

#madeinamerica

At Homecrest, we share a passion for design, take deep pride in our work and strive for excellence in all we do so that you can love life outdoors.

INNOVATIVE & EXTREMELY

COMFORTABLE

Whether traditional, transitional or contemporary in design, Homecrest's deep seating collections are beautiful and incredibly comfortable. We use innovative techniques and top-quality materials to ensure that each collection's beauty and comfort lasts for decades.

SLING & PADDED SLING COLLECTIONS

WHAT IS "DESIGNED FOR WEIGHT"?

Our "Designed for Weight" collections (Harbor, Stella and Sutton) are made with both aluminum and plated steel. Aluminum is used for the arms and base to create a low-maintenance, less corrosive, material for those high-wear components. To maintain a heavy weight, these collections use powder-coated, solid-steel side rails and cross bars, along with a zinc-plated undercarriage and swivel rock components.

MAINTENANCE-FREE

METALS

Our metal collections are equally suited for commercial applications and residential spaces where scale, stackability and care-free maintenance are top priorities. Surprisingly comfortable, even without a cushion, these ergonomically-designed frames stand up to extreme weather, stack for convenient storage and security, and are the optimum in maintenance-free outdoor living.

LET'S TALK FIRE TABLE ACCESSORIES

Each Homecrest fire table comes equipped with your choice of fire jewelry, as well as a secure, removable key to easily control the flame, natural gas orifice, required black 3/4" aluminum fire burner riser to reduce the surface temperature on the fire pit top and match-throw ignition. Our fire tables also feature a drawer or door mount to easily access the propane tank and the option for a glass guard to contain the flame in windy conditions.

Aurora Base: Each fire table comes standard with a 12" x 24" rectangular or 20" round 60,000 BTU stainless steel black powder-coated burner, external key valve, match-throw ignition, natural gas orifice, 20 lbs of fire jewelry (select one or two colors) and a black 3/4" fire burner riser.

Nova Base: Each fire table comes standard with a 12" round 30,000 BTU stainless steel black powder-coated burner, external key valve, match-throw ignition, natural gas orifice, 10 lbs of fire jewelry (select one color) and a black 3/4" fire burner riser.

Valero Base: Each fire table comes standard with a 20" round 60,000 BTU stainless steel black powder-coated burner, external key valve, match-throw ignition, natural gas orifice, 20 lbs of fire jewelry (select one or two colors) and a black 3/4" fire burner riser. Duo-Tone option is available (select a frame color and a side panel color).

INNOVATIVE IN OUTDOOR

TABLE TECHNOLOGIES

For decades, the high-end outdoor living experience centered around the dining table. From aluminum and glass to resin and HDPE materials, Homecrest continues its long history of innovation in outdoor table technologies. Homecrest tables are structurally engineered to be used year-round in even the most demanding settings.
