# PRODUCT PROFILES

## Elegance

Elegance, one of NorthCape's new collections for the 2015 season, has been quite a hit. The curvaceous arms and transitional design combine with a beautifully variegated Aspen weave to provide showstopping appeal. Featuring welted, double-button cushions in your choice of premium outdoor fabric, the Elegance collection is also a great collection to incorporate mixed-medium options such as fabric cubes or antique ship wood. As the company says, when you're looking for style, comfort, and value, take a fresh look at NorthCape. Contact: [www.northcapeoutdoor.com](http://www.northcapeoutdoor.com).

## Brown Jordan Outdoor Kitchens

Brown Jordan Outdoor Kitchens offers the widest range of storage and organizational cabinetry in the industry. The cabinets are fabricated with commercial-grade, 20-gauge stainless steel and are available in 24- and 27-inch depths. Cabinet features include concealed stainless door hinges, solid-core doors, trash pullouts, fixed and sliding shelves, soft closing, self-closing drawers, and leveling legs. Cabinets are available in a wide selection of powder-coat finishes. Contact: [www.brownjordanoutdoorkitchens.com](http://www.brownjordanoutdoorkitchens.com).

## Ambiance

AEI proudly announces the introduction of the Ambiance stainless-steel fire feature (PC14SS), adding to the most

complete offering of outdoor comfort heat available from any single source. Ambiance's features include a 4-inch

Ambi-Fire borosilicate-glass tube, the Ambi-Glo emitter-grid system, the Pyromid ceramic-burner system, and Ambi-Brite reflectors (at all three corners) to enhance the dancing flame. Ambiance is backed by AEI Corp., which is celebrating its 48th year in the premium-gas-grill and outdoor-comfort-heat industries. Contact: [www.aeicorporation.com](http://www.aeicorporation.com).

## Sephora by Homecrest

Homecrest is embracing a variety of new technologies with the launch of the Sephora fire-table collection. Featuring a custom-designed raised fire bowl, a new Icon tabletop, and innovative design, Sephora is sure to add the wow factor to any

outdoor space. Shown is the Sephora chat table with a quartz top, a cognac base, and a mother of pearl bowl. Made in the United States, Homecrest fire tables are designed to offer incredible ambience and comfort. For 2015, Homecrest is offering the biggest single-year fire-table launch in the industry. ## Galaxy

The award-winning Galaxy is the industry's largest noncatalytic, EPA-approved, zero-clearance fireplace. It has a heating capacity of 2,500 square feet, with maximum output of 100,000 Btu per hour. The fireplace is available with different surround options

and comes standard with two heat-activated blowers, a sealed ash pan, and a built-in barbecue grill. The Galaxy has a unique, patented air control that regulates combustion automatically. It also has a patented Easy-Light mechanism, which ensures a quick and easy start for the fire and helps keep the glass clean. ## Reclaimed Series (Porcelain Tabletops and Hearth Tops)

OW Lee's new Reclaimed series porcelain tops provide a beautiful wood-grain look in low-maintenance porcelain tiles and are available in three colorways. The Myrtle Beach tile has a subdued, whitewashed look, with undertones of rust and brown. Atlantic City's cool blue-gray hue evokes a more weathered-wood feel. Venice Beach's rich brown-and-taupe color provides a more rustic look. Contact: [www.owlee.com](http://www.owlee.com).

### G52 RADIANT FYRE GAS LOG SYSTEM

- Made from a proprietary fiber/ceramic refractory which showcases crisp bark detail and glows and radiates like a real wood burning log
- Multiple control options including battery powered electronic variable remote in a compact footprint
- Exclusive stainless steel "booster grid" acts as a catalyst to increase the fire's intensity
