

HOMECREST™  
OUTDOOR LIVING

CONTRACT COLLECTIONS • MADE IN THE USA

# HOMECREST Contract Division

We invite you to learn more about Homecrest Outdoor Living and our Homecrest Contract Division. This contract book is designed to share our passion for an unparalleled guest experience, in a style all its own. As the iconic American manufacturer for outdoor living and enjoyment, we design and manufacture products that deliver commercial quality and hospitality style above all. We have collections and unique items that range from modern to traditional styles so that with one company, you can specify many projects.

Our dedication to commercial grade materials and craftsmanship speaks for itself. Our customers tell us time and time again how truly satisfied they are with the quality and longevity of our products in the demands of various commercial environments. All our products go through rigorous commercial testing to ensure that what you specify and purchase is truly worthy of your project or property; your reputation and guest safety is paramount to us.

We are committed to building distinctive products with a level of robustness, craftsmanship and attention to detail that is uncommon in today's world. Our products are Made in the USA and we strive to meet even the most difficult deadlines. We know when your property needs product fast, you need a manufacturer you can count on to meet the tightest of deadlines. Reach us today to find out just how economical luxury really is.

# SEATING

Fashion meets utility in Homecrest's Seating collections. Designed with function and durability in mind, our low-maintenance lounging collections are available in steel, aluminum, sling, cushion and aluminum mesh and range in several different styles and seat heights. Clean, simple seams on quality-crafted cushions provide the utmost in comfort.

Our Sling, Cushion, Mesh, Slat and Café collections are equally suited to commercial applications where scale, stackability and care-free maintenance are top priorities. Surprisingly comfortable with or without a cushion, these ergonomically designed frames stack for convenient storage and security and wipe down with a cloth for the optimum in maintenance-free outdoor living, even when in rigorous use. No matter which seating type you choose, all are built to withstand extreme weather conditions.

TIMBER COLLECTION  
Natural Series

# NATURAL SERIES TABLES

Technology is constantly changing and improving. Our Natural Series surfaces employ the best practices from the countertop and marine industries, producing individually handcrafted surfaces made to withstand the outdoor elements and have the ability for mass customization. Starting with proven marine-grade gel coats, adding tough polyester cores and finishing them off with our automotive grade “Nano-Coat” clear coating technology, our surfaces are made to withstand the rigors of the outdoor environment.

## **What is “Nano-Coat?”**

Nano-Coat provides a super hard surface that is UV-protected, has a chemical-resistant paint protection and a corrosion inhibitor. The surface is then resistant to scratches, mars and abrasions. It contains anti-graffiti and anti-stick properties that repel water and dirt, making it easy to clean.

# HAMMERED METAL NATURAL SERIES

Authentic design and attention to detail is at the forefront of our Hammered Metal table tops. Each top is handcrafted to replicate the look of natural hammered pewter and copper without the fuss and maintenance of raw natural metals. Available in both Copper and Pewter finishes, these gorgeous tables bring warmth and beauty to outdoor spaces.

## LIFT KIT

Homecrest has taken the 37XX Series dining table base to new heights. A lift kit has been created to raise all Natural Series dining tables an additional 1.75" in height, changing the table height from 27.5" to 29.25". This new height will allow any chair in the marketplace to be paired with a Homecrest Natural Series dining table. To achieve this new height, order the Lift Kit using the model number KIT175.

# SANDSTONE NATURAL SERIES

The inspiration for this natural looking table top comes from the Southwestern quarries of the United States. Full of beautiful, rough-hewn detail, Sandstone tables offer years of low-maintenance, architecturally pleasing outdoor enjoyment.

## EDGE DETAIL & AVAILABLE TOP COLORS

This new height will allow any chair in the marketplace to be paired with a Homecrest Natural Series dining table. To achieve this new height, order the Lift Kit using the model number KIT175.

# SLATE NATURAL SERIES

Cast from the pattern and texture of slate, Homecrest Slate tables feature a rustic elegance that could only be inspired by nature. With industry-leading technology, Homecrest Slate tables are as beautifully authentic in appearance as they are tough and enduring, making these tables a favorite in homes across the country.

## LIFT KIT

Homecrest has taken the 37XX Series dining table base to new heights. A lift kit has been created to raise all Natural Series dining tables an additional 1.75" in height, changing the table height from 27.5" to 29.25". This new height will allow any chair in the marketplace to be paired with a Homecrest Natural Series dining table. To achieve this new height, order the Lift Kit using the model number KIT175.

# STONEGATE NATURAL SERIES

The Stonegate collection captures the richness of granite without the expense and maintenance of the natural material. With a deep 2" profile and straight edge finish on our casual and dining tables, the clean simplicity of Stonegate's styling adapts it to a wide range of design applications, whether traditional or contemporary, residential or commercial.

## LIFT KIT

Homecrest has taken the 37XX Series dining table base to new heights. A lift kit has been created to raise all Natural Series dining tables an additional 1.75" in height, changing the table height from 27.5" to 29.25". This new height will allow any chair in the marketplace to be paired with a Homecrest Natural Series dining table. To achieve this new height, order the Lift Kit using the model number KIT175.

# TIMBER NATURAL SERIES

Cast from beautiful reclaimed wood tables, the Timber collection is at once on-trend and timeless. Using the same technology we use in all Natural Series tables, we are able to achieve a look that is marvelously realistic while retaining the outstanding outdoor performance characteristics you expect from Homecrest.

# METAL TABLES

For decades, the high-end outdoor living experience centered around the dining table. Since Homecrest has been an industry leader in technology and innovation since its inception in the 1950s, we have always been at the forefront of scientific development as design trends have driven us to make low-maintenance tables of all sizes, shapes, textures and media that can withstand rain, snow, heat and humidity.

At Homecrest, our Metal collections, which include cast, extruded and formed aluminum as well as embossed and tubular steel and our timeless Glass Series are attractive, functional and extremely durable. Made in the USA, Homecrest metal tables are available in a variety of heights and sizes for your commercial needs.

# FIRE TABLES & ACCESSORIES

Embracing one of the hottest trends in outdoor living, Homecrest is proud to be an industry leader in outdoor fire tables. Available in coffee, chat, dining and balcony heights, Homecrest fire tables offer a powerful 60,000 BTU burner and come standard with 20 lbs of fire jewelry, as well as secure key and match-throw ignition. This incredible heat will extend your outdoor season and add ambiance to your outdoor space.

*Note: All fire tables come standard with a black bowl, key valve control and 20 lbs of fire jewelry. View fire jewelry colors and additional accessories after the fire table section. 19-inch coffee height fire tables require a horizontal tank that is sold separately. Use model number 005269 when ordering.*

# WARRANTY

Homecrest Outdoor Living is devoted to providing the consumer with industry leading comfort and quality. With over 60 years of experience in manufacturing outdoor furniture, we are widely known for our comfort, quality and style. Our suppliers, manufacturing team and sales personnel are devoted to making your experience with our products an enjoyable one.

## **15 YEAR (RESIDENTIAL LIMITED WARRANTY) AND 5 YEAR (COMMERCIAL LIMITED WARRANTY)**

Homecrest Outdoor Living's 15 year residential limited warranty applies to Homecrest products used in a residential setting only. Homecrest Outdoor Living's 5 year commercial limited warranty applies to Homecrest products used in a commercial setting only. All warranty periods are based on the original purchaser's date of purchase, and are not transferable. Our warranties apply only to products shipped from the factory after January 1, 2008 (product codes ending in -08 or later). A copy of the original sales receipt and the product code must be submitted with all warranty claims (photos may also be required).

## **WHAT OUR WARRANTY COVERS**

**15 years (Residential) and 5 years (Commercial):** Aluminum frames, steel frames and \*swivel rocker mechanisms are covered from structural failures for 15 years from date of purchase in a residential setting and five years in a commercial setting. If the frame or swivel rocker mechanism fails during the 15 years in a residential setting and five years in a commercial setting under normal usage, and is not the result of abuse or an "act of nature", Homecrest Outdoor Living will repair or replace the frame or swivel rocker mechanism at the manufacturer's discretion. If replacement is required, and your original frame or swivel rocker mechanism is no longer manufactured, we will replace it with a similar product. Homecrest Outdoor Living will pay the warranty freight the first year in the Continental U.S. Return of product will not be accepted without prior approval.

**5 years (Residential and Commercial):** The warranty on painted frame surfaces covers against peeling, flaking or blistering for a period of five years. If the painted surface peels, flakes, or blisters and the furniture has been maintained per the recommended care and maintenance instructions, Homecrest Outdoor Living will repair or replace the frame at the manufacturer's discretion. If replacement is required, and your original product is no longer manufactured, we will replace with a similar product. Homecrest Outdoor Living will pay the warranty freight the first year in the Continental U.S. Return of product will not be accepted without prior approval.

**3 years (Residential) and 1 year (Commercial):** Solid surface table tops (excluding glass) are warranted against structural failures, finish cracks, and blisters for three years when used in a residential setting and one year in a commercial setting. Failure to properly maintain the table top, or store it properly during inclement weather, will void the warranty. If the table top (other than glass) fails, or the finish cracks or blisters during the warranty period, we will repair, refinish or replace the top. Homecrest Outdoor Living will pay the warranty freight the first year in the Continental U.S. Return of product will not be accepted without prior approval.

**3 years (Residential) and 1 year (Commercial):** Vinyl strapping is warranted for three years from discoloration or breakage in a residential setting and one year in a commercial setting. In the unlikely event that the strap significantly discolors or breaks, Homecrest Outdoor Living will supply replacement strap (installation labor not included). Glider bearing hangers are warranted for three years against failure in a residential setting and one year in a commercial setting. In the unlikely event a bearing hanger fails, Homecrest Outdoor Living will supply a replacement hanger (installation labor not included). Homecrest woven products are covered for three years against fading, cracking and structural failure in a residential setting and one year in a commercial setting.

**2 years (Residential) and 1 year (Commercial):** The fabrics used on our cushions, slings and umbrella canopies are warranted for two years in a residential setting and one year in a commercial setting against tearing, discoloration or fading when maintained per the recommended care and maintenance instructions. In the event replacement is required, Homecrest Outdoor Living will replace the cushion, sling or umbrella canopy with the same, if available, or comparable fabric based on manufacturers discretion (installation labor not included). Homecrest Outdoor Living will pay the warranty freight the first year in the Continental U.S. Return of product will not be accepted without prior approval.

**2 years (Residential) and 1 year (Commercial):** Crystal fire burners (24" Round and 12" x 24") are warranted to be free from defects in material and workmanship for a period of two years from the date of purchase in a residential setting and one year in a commercial setting. The warranty is limited to the replacement or repair of defective components or workmanship. If replacement is required, and your original product is no longer available, we will replace it with a similar product (with limited lifetime on steel parts).

**1 year (Residential and Commercial):** The warranty of the finish on coiled steel spring rocker mechanisms, plastic parts, flex plates, glides, swivel inserts, metal umbrellas, cord and umbrella base for one year in a residential and commercial setting from the date of purchase when maintained per the recommended care and maintenance instructions. Homecrest Outdoor Living will repair or replace the frame at the manufacturer's discretion. If replacement is required, and your original product is no longer available, we will replace with a similar product.

## **WHAT OUR WARRANTY DOES NOT COVER**

- Failure caused by misuse or lack of appropriate care and maintenance of the products. Refer to the General Maintenance and Cleaning Instructions.
- Damage caused by caustic chemicals and/or power washers.
- Warranty on product shipped from the factory prior to 1/1/2008.
- Glass and Acrylic table tops.
- Normal fading of fabrics, straps and painted surfaces.
- Bursting and cracking of tubing and extrusion caused by exposure to moisture and freezing temperatures.
- Damage caused by "Acts of Nature."
- Return freight after one year.
- Set replacement or replacement beyond failed product.
- Salt water exposure – Due to the demands of salt air, weekly cleaning and quarterly waxing of painted surfaces must be maintained to prevent finish blisters and corrosion. Failure to carefully follow our care and maintenance instructions will void the warranty.

## **FREIGHT**

All Homecrest Outdoor Living furniture is delivered to the carrier in factory new condition. Claims for damage or losses that occur during shipping must be noted at the time of delivery and filed with Homecrest Outdoor Living. Send written notice of the claimed condition to: Homecrest Outdoor Living, 1250 Homecrest Ave, Wadena, MN 56482.

\*Note: Swivel rocker mechanisms are not recommended in commercial applications.
