contract & commercial-grade products

Commercial-grade outdoor products include gas burners, fire pit tables, fire features, and outdoor kitchens. Both standard and custom products can be outfitted for commercial spaces and include added safety features. All fire products use a UL, ULC, or CE listed Crystal Fire® Burner. Perfect for multi-family residences, hotels, sports stadiums, restaurants, and more. We strive to deliver the best product for your commercial setting and professional customer service before, during, and after your commercial project.

- Email contractorders@homecrest.com to get started

CUSTOM FIRE PIT TABLES

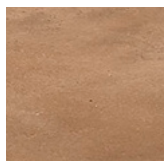

- Common materials used are stucco, Supercast™ concrete, tile, and metal, but more options are available
- Size and shape to fit your design
- UL, ULC, & CE Listed. Made in USA.
- Other upgrades include: LED underlighting, personalized engraved Supercast™, custom glass guards, custom burner covers, and more.
- Email contractorders@homecrest.com to get started

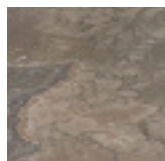

custom finishes

We offer several standard finishes or can deliver a complete, ready-to-finish system that can be finished on-site with your own materials. Our materials and construction methods are designed to last. For a custom material, tile, or countertop, consult our sales staff. Other materials may include solid granite or granite tile, wood accents, stone, powder-coated metal, etc. Actual finish colors may vary from photos below.

unfinished fire table bases

We offer several unfinished base options made from Hardiebacker® fiber cement board and steel framing. Multiple sizes and shapes are available to fit our CF20, CF30, CF2424, CF1242, and CF1264 burners. Each unfinished unit has cut outs for venting and will fit one of our standard burners listed above. Burner and controls sold separately. Custom options available.

custom outdoor kitchens

- Define your vision, purpose, and budget
- Determine your space, take measurements
- Think about the layout and desired appliances or accessories
- Choose your custom finishes
- Submit your sketch and email contractorders@homecrest.com

layout & accesories

Once the layout of your outdoor kitchen is complete, choose from our complete line of commercial grade #304 Stainless Steel accessories designed to custom fit your outdoor kitchen. Crystal Fire® Burners can also be built into outdoor kitchen islands. Want something you don't see here? Let us know and we can add that to your outdoor kitchen for you!
