

LATITUDE FIRE TABLES

ALUMINUM

HOMECREST™
OUTDOOR LIVING

Made in the USA • www.homecrest.com

Latitude's clean, slatted aluminum tops can on one hand play as boardwalk inspired for a more beachside look, or on the other hand play as more rustic cabin-inspired for the feel of a luxury ski resort. No matter what style an outdoor space is trying to achieve, Latitude fire tables can fit and elevate the aesthetic. Homecrest fire tables offer a powerful burner (up to 65,000 BTUs) and come standard with your choice of fire jewelry, as well as a secure key and black 3/4" aluminum fire burner riser .

AVAILABLE TOP COLORS + FRAME FINISHES

FIRE TABLES + ACCESSORIES *Fire tables feature a 1.5" edge profile.*

Note: Each fire table comes standard with a 12" x 24" rectangular 65,000 BTU stainless steel black powder-coated burner, external key valve, match-light ignition, 20 lbs of fire jewelry (select one or two colors), and a black 3/4" fire burner riser. The burner is available as either Liquid Propane (XXX-**JLP**) or Natural Gas (XXX-**JNG**)—if one is not selected, the burner will default to the Liquid Propane option.

FIRE JEWELRY

Note: When ordering fire jewelry individually (without a fire table), use the six-digit model number. When ordering with a fire table, use the two-digit color code number that is next to the color name.
